## President's Letter

Having a little time to reflect on the past Endurance trials, I am amazed at the class of dogs NSTRA puts out year after year after year. Last year, Lewistown, MT was the setting for the 2020 Purina Endurance Trial. If you haven't been there, you don't want to miss it. This national trial is held on the grounds of the Hutterite Colony, and they are absolutely the most perfect hosts! Oh my, the food and service could not be beat!

We all thank Marvin Hofer and his crew for all that they do for NSTRA. Last year, in the middle of a pandemic with precautions everywhere, we were still able to hold fantastic national trials. The 2020 winner of the Purina Endurance Trial was a tough little Brittany female from the Kentucky Region. Her call name is Pippa and she is owned by Mr. Mark Little and handled by Mr. Clay Little. Known everywhere, the Little family always brings a strong string of brittany's to the line. Mr. Little, our sincere congratulations to you and Pippa on the 2020 NSTRA Purina Endurance Championship!

We are currently working very hard to get caught up on a year's worth of magazines, and appreciate your patience as we do so. The next issue will cover the 2020 Dog of the Year Trial, held each year in Amo, IN.

Great day to you all and get out and enjoy our sport.

Sincerely,

*Ron Huels*  
NSTRA President

# NSTRA MEMBERS - Important things to remember!

## Reminders – check back often!

National trials are the responsibility of the National Officers with input from the Board of Directors and the local co-chairs of national trials. Criteria for entry, which may be subject to change, for the original 5 National Trials is available in the reference section of the Rule Book beginning on page 41, Section 11. If a particular national trial is subject to changes in the entry criteria, there will be notice provided on the official entry form, in the magazine, on the national website, and/or by email if available.

To enter a national trial, you may submit a hard copy official entry form and payment, OR you may scan and email an official entry form with payment information, OR you may send by facsimile and official entry form with payment information, OR you may enter and pay on-line on the website. NO EXCEPTIONS.

Please note that additional new national trials may be added from time to time and do not yet appear in the current Rule Book. Please contact your National Officer Representative or the National Office staff for additional information regarding such trials. The current list of National Trials is as follows:

**QUAIL FOREVER**, formerly known as Quail Invitational. This is a revolving trial generally held in February.

**TRIAL OF CHAMPIONS**. This trial is held in Amo, Indiana, in April.

**UKC PERFORMANCE TRIAL**. This trial is a revolving trial generally held in June.

**PURINA ENDURANCE CLASSIC**. This is revolving trial generally held in September:

**DOG OF THE YEAR**. This trial is held in Amo, Indiana, in October.

**NATIONAL AMATEUR CHAMPIONSHIP** is a new trial (Dec 2020). The intent is to be a revolving trial.

## TOP PERFORMANCE AWARD:

To be eligible:

\*Dogs must have at least 20 open points accumulated in weekend trials between June 1 through May 31 of the applicable year. Once a dog is eligible, a schedule of scoring is applied based on the results at regional elimination trials and National Trials

\*The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1 in order to keep the number of national trials the same each year.

\*The Regional Elimination trial results used in calculating Top Performance Awards is the regularly scheduled regional elimination championship in the qualifying

year/season (only one regional can count per year). Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). The placement for the regional eliminations is determined by the score of the last round in which the dog ran. In addition, 100 points will be awarded to the Champion, 75 for the second-place dog, 50 for the third and 25 for fourth.

\*The National Trials results are calculated as follows: A dog must place in the top 32 dogs to receive a qualifying score from that trial. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 – 775, 3 – 750, etc.). The placement for the national trial is determined by the score of the last round in which the dog ran. In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth.

## HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted in a rolling calendar throughout the year. Send these nominations to the nation office, or to a national officer no later than March 31 of the year in which a dog is to be considered. Nominations of dogs to the NSTRA Hall of Fame are NOT “carried over” to following years. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted in order to be considered for election. The National Officers, in concert with the Board of Directors, make selections to the Hall of Fame each April.

## TRIAL SCHEDULES:

Fall/winter trial schedules are due in the office by May 1. Spring/summer trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

## SANCTION FEES:

Trial sanction fees are required BEFORE a trial packet is mailed and before a trial may be “approved” in the system. Please pay all sanction fees at least 4 weeks prior to your trial date to ensure prompt mailing of the packet and to ensure that the trial may be drawn in a timely manner.

## TRIAL REPORTS:

Trial reports and results should be entered into the trial draw system as soon as possible after a trial and no later than 10 days after the trial date. Overall results will not be approved until the reporting is complete. First place points and championships will not be confirmed

or awarded until the reporting is complete. (This includes receipt of all registration paperwork for placing dogs.)

## HOME REGION:

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1 and January 1. \*Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at any time to request a change in their Home Region.

## ASSOCIATE MEMBERSHIPS:

Associate memberships are available to members’ spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. Associate members have the same rights as regular members with respect to participating in field trials (e.g., owning dogs, handling dogs, judging, bird planting, etc.). Associate member may not vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

## RULE CHANGES:

Proposed rule changes or new additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

## CONSTITUTION/BY-LAW CHANGES:

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

## REGION HIGH POINT:

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region’s high point competition. Points earned in the finals of above trials DO NOT count towards the region’s high point.

## OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of new registration papers with the new owners’ names to the office. The date of transfer will be the date shown on the registration papers.

## FIRST TIME PLACEMENTS:

# Glenn Cumbie...

does not direct attention to himself but to others. He is quick to greet with a handshake, smile and kind words. He is uplifting to others, a friend to all and leads with a quite demeanor. A former president and vice-president of the Arkansas/Louisiana Region and current board member he was instrumental to introducing NSTRA to western Arkansas.

It is with these things in mind the Arkansas/Louisiana Region would like to congratulate Glenn on his induction into the NBHA (National Bird Hunters) hall of fame. He joined the NBHA in the early 1990's and NSTRA in the early 2000's. His 1x Champion Petit Jean Bell was second in the AR/LA 2006 Region Elimination Championship. His dogs have also fared well in NBHA trials achieving over two hundred placements. Jim Fork's Kate, his brag dog, won the NBHA National Amateur Championship and is in the NBHA HOF.

Glenn Cumbie makes the field trialing world a more enjoyable experience for all involved.

#### **OWNERSHIP CHANGE:**

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of new registration papers with the new owners' names to the office. The date of transfer will be the date shown on the registration papers.

#### **FIRST TIME PLACEMENTS:**

The National Office now requires a copy of the dog's registration certificate for first time placements. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org), or a photocopy by regular mail.

#### **NSTRA DISTINGUISHED MEMBERS:**

This award will be presented annually at the Dog of the Year banquet. Nominations may be submitted at any time to the staff at the national office, to a National Officer, or to the current chair of the Distinguished Members Committee. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included, if available. # 2020 Purina Endurance Trial

by Debi Heaton

In Texas we say if you don't like the weather just wait until tomorrow and it will change. For the Purina Endurance trial in Lewistown, Montana at the King Colony Ranch in 2020, it was the same way. In the pre-trial, the temperature was in the 90's. On Monday, it snowed, but the rest of the week was perfect. It was glorious and the big sky did not disappoint. The trial was sponsored by the Hutterites lead by Marvin and Sarah Hofer and the King Colony. They were wonderful hosts for the event along with the Big Sky Region lead by Jim Wiitala. Also, thanks to Cheryl Higham the trial chairman for all the hard work coordinating the trial & Alan Higham for keeping the trial coordinator with power & coffee. A special thank you also goes out to Phyllis Barker and Dale Ikuta for all off the pictures they took & shared with NSTRA.

The Officials:

Field Marshals Cindy Lyon & Dollie Jo Cloud with Trial Chairman Cheryl Higham

Judges Jason Norton (MN) and Mike Barker (EC)

Judges Bodie Ray and Bob McCandless

Bird Planter Lonnie Jones (MK)

Mark and Clay were awarded a Purina champion's jacket, 12 bags of Purina ProPlan, a Garmin 550, Montana Silversmith belt buckle, a NSTRA commemorative trophy and a Winner's bench created by Richie Hight of Battle Born Metal Works, Red Haw Supply engraved leash, a gift certificate for \$250 from Dogs Unlimited, a Gun Dog Supply \$25 gift certificate, a Dakota 283-G3 Kennel, and a year's supply of supplement from Ramard. Congratulations to Pippa, Mark and Clay. It was a spectacular victory.

Congratulations & brace well fought

Unfortunately, our regular attending sponsors were unable to join us with Covid-19 out there. We missed seeing Greg Blair and Mike Botts representing Purina and Garmin. We also missed Dion Bliss at Red Haw Supply. We also have to thank our other sponsors Montana Silversmith, Dogs Unlimited, Gun Dog Supply, Dakota, and Ramard. We hope to see all these special people in the future. Without their support we could not continue doing the things we love so much.

# KRISTY GOODALL'S STEP BY STEP TO PURINA ENDURANCE RUNNER-UPS

The 2020 Endurance we finally checked off a bucket list item but it started as a normal National trial for us.

In the first round, Cowpie, our young GSP who had won the regional this year was Eliminated. Stevie, Finn and Fly moved on to the 2nd... and then the 3rd for Stevie and Fly.

The third round was a game changer as Fly got by last year's Endurance winner, Elden Miller and his Jack dog by 6.5 points. Stevie as well just sneaked into the fourth round by 3.5 points by upsetting Roger Parient's Sioux, a 2-time National champion. From there things just started happening fast.

We always start every national hoping to get a dog to Saturday, to get Top performance points, but when Saturday dawned and we still had two in it - we just started hoping for one to survive to the next round. Stevie and Fly both advanced out of the fourth round with 3 -2 bird wins, we were in shock and started praying for the next step.

The 5th round is where it started to get a little crazy - as Dean had to walk out of the field with back to back braces and both dogs performed well making me believe we had a chance to go all the way with one of them. Walking out of the field Dean had people grabbing one dog and handing him another and someone handing him a water and by the time the water was gone they were getting called for the top four.

Fly was braced against Rich Hughes and his Murphy dog. Rick had said Murphy was really tired but Fly still seemed to have something left so I decided to get aggressive on the close birds and hope to beat him to the back with a fresher dog. We gave up the gallery bird and as behind early but got on a roll and found 4 to advance 4 to 2.

Stevie had first crack at Pippa. Both dogs had 2-2 and a back but Stevie had stepped on a bird and started playing keep away with her retrieve so even with a 73 back (which Stevie loves to do) Pippa bumped out Stevie.

After a short break, Clay and Dean decided to get final hour going as daylight was growing short. In between braces Annie Shores and Tina Sterner were doctoring Dean's feet because by this time he had developed big blisters on both feet.

Dean knew where there was an extra bird from a brace earlier in the day just out of bounds between the fields so his plan was to get the gallery bird from A and then cross back to B and do the same but Clay had the same idea. Clay ended up scoring both gallery birds and Dean got the extra bird between fields. Adding the short corner bird from A field Clay went clear to the end of A. Dean followed him but with finding the end bird he figured he could go back to B field and still win if he could find the 4 remaining birds there. It almost

worked. Clay however picked up those 3 remaining birds in A and I found 3 of the 4 birds in B. Clay joined me and time ran out with Clay and Pippa on top 5 to 4. Dean had two chances at Pippa and Clay and both times came up just short but were still according to Dean, the most fun running dogs he ever had. Hats off to a Clay and Pippa, a great competitor and an awesome dog!

When Dean walked out of the field the marshal asked me how far did he think he had walked that day and Dean checked his watch which said 25.72 miles. Just short of a marathon. We can't even imagine what those little dogs did.

What a bucket list dream, to take a pup that was born on your kitchen floor to 1st Runner Up at the Endurance, and our very special run-away Stevie (who is known to run away prior to national trials and at other very in-appropriate times) to 2nd Runner Up is beyond anything that we could ever imagine - we can't thank enough the people along the way who encouraged us, taught us, and supported us to get to this point.

What a ride!

# REGIONAL CHALLENGE TRIAL IN MEMORY OF MICHAEL JEPSEN

On May 22nd and 23rd, 2021 members of the Mid North region and the Big Sky region came together for a regional challenge trial in memory of a great friend Michael Jepsen. Michael had hosted the traditional regional challenge trial for many years in Savage, Montana. In 2020 the challenge trial was named The Jepsen Memorial Trial and moved to Williston, ND. It was a success in spite of the Covid pandemic. Chad Norpel had a big vision as the chairman of the 2021 Jepsen Memorial Trial. His goal was to combine a dinner and auction with the trial to raise \$5000 for the Jepsen Family to donate to a charity of their choice in memory of Michael.

Chad collected monetary donations as well as auction items from local businesses. He also asked trial participants to contribute. JW Collins joined in with generous donations of auction items from National sponsors Purina and Garmin. Scott Townsend donated a Jimmy stud fee. Both regions made monetary donations. Many regional members donated to the cause. Judges donated their pay back to the fund. Some donated their time to help prepare for the event. Saturday ended with an exceptional dinner and auction. Michael's wife Sandie and his daughter Clara were able to attend the dinner and auction. When the auction was complete the original goal to raise \$5000 was exceeded nearly 3 times. It was certainly amazing to witness all the generosity amongst a great group of friends. The Jepsen family will use half of the funds to start a scholarship fund for graduating 4-H students in Savage. Michael and his family were very involved in their local 4-H program. They will donate the other half of the funds to the Sidney Cancer Center.
