# NSTRA MEMBERS - Important things to remember!

Reminders – check back often!

National trials are the responsibility of the National Officers with input from the Board of Directors and the local co-chairs of national trials. Criteria for entry, which may be subject to change, for the original 5 National Trials is available in the reference section of the Rule Book beginning on page 41, Section 11. If a particular national trial is subject to changes in the entry criteria, there will be notice provided on the official entry form, in the magazine, on the national website, and/or by email if available.

To enter a national trial, you may submit a hard copy official entry form and payment, OR you may scan and email an official entry form with payment information, OR you may send by facsimile and official entry form with payment information, OR you may enter and pay on-line on the website. NO EXCEPTIONS.

Please note that additional new national trials may be added from time to time and do not yet appear in the current Rule Book. Please contact your National Officer Representative or the National Office staff for additional information regarding such trials. The current list of National Trials is as follows:

QUAIL FOREVER, formerly known as Quail Invitational. This is a revolving trial generally held in February.

TRIAL OF CHAMPIONS. This trial is held in Amo, Indiana, in April.

NATIONAL AMATEUR TRIAL OF CHAMPIONS. This trial is held in Amo, Indiana, in April.

UKC PERFORMANCE TRIAL. This trial is a revolving trial generally held in June.

PURINA ENDURANCE CLASSIC. This is revolving trial generally held in September:

DOG OF THE YEAR. This trial is held in Amo, Indiana, in October.

TOP PERFORMANCE AWARD:

To be eligible:

\*Dogs must have at least 20 open points accumulated in weekend trials between June 1 through May 31 of the applicable year. Once a dog is eligible, a schedule of scoring is applied based on the results at regional elimination trials and National Trials

\*The Performance Trial will be the

beginning national trial each year, even if it ends prior to June 1 in order to keep the number of national trials the same each year.

\*The Regional Elimination trial results used in calculating Top Performance Awards is the regularly scheduled regional elimination championship in the qualifying year/season (only one regional can count per year). Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). The placement for the regional eliminations is determined by the score of the last round in which the dog ran. In addition, 100 points will be awarded to the Champion, 75 for the second-place dog, 50 for the third and 25 for fourth.

\*The National Trials results are calculated as follows: A dog must place in the top 32 dogs to receive a qualifying score from that trial. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 – 775, 3 – 750, etc.). The placement for the national trial is determined by the score of the last round in which the dog ran. In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth.

HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted in a rolling calendar throughout the year. Send these nominations to the national office, or to a national officer no later than March 31 of the year in which a dog is to be considered. Nominations of dogs to the NSTRA Hall of Fame are NOT “carried over” to following years. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted in order to be considered for election. The National Officers, in concert with the Board of Directors, make selections to the Hall of Fame each April.

TRIAL SCHEDULES:

Fall/winter trial schedules are due in the office by May 1. Spring/summer trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

SANCTION FEES:

Trial sanction fees are required BEFORE a trial packet is mailed and before a trial may be “approved” in the system. Please pay all sanction fees at least 4 weeks prior to your trial date to ensure prompt mailing of the packet and to ensure that the trial may be drawn in a timely manner.

TRIAL REPORTS:

Trial reports and results should be entered into the trial draw system as soon as possible after a trial and no later than 10 days after the trial date. Overall results will not be approved until the reporting is complete. First place points and championships will not be confirmed or awarded until the reporting is complete. (This includes receipt of all registration paperwork for placing dogs.)

HOME REGION:

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1 and January 1.. \*Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at any time to request a change in their Home Region.

ASSOCIATE MEMBERSHIPS:

Associate memberships are available to members’ spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. Associate members have the same rights as regular members with respect to participating in field trials (e.g., owning dogs, handling dogs, judging, bird planting, etc.). Associate member may not vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

(continued on next page)

## Important things to remember (continued from previous page)

### RULE CHANGES:

Proposed rule changes or new additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

### CONSTITUTION/BY-LAW CHANGES:

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

### REGION HIGH POINT:

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

### OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of new registration papers with the new owners' names to the office. The date of transfer will be the date shown on the registration papers.

### UNREGISTERED DOGS:

As of June 1st a dog cannot run in a NSTRA trial without a system-generated dog profile or record. A trial coordinator cannot create the record. National staff or officers can only create the record once registration papers are received in the NSTRA office. In addition, there remain many "unapproved" dogs in the system. Unapproved dogs shall not be entered to run in trials until proper paperwork is received and appropriate action to create the record is completed. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org), or a photocopy by regular mail.

### NSTRA DISTINGUISHED MEMBERS:

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and

achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the Year banquet. Nominations may be submitted at any time to the staff at the national office, to a National Officer, or to the current chair of the Distinguished Members Committee. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included, if available. Contact the NSTRA office for a list of criteria. The committee will review all Nominations and verify contributions. Decisions will be made not only by the information submitted but by any other information collected. The committee will make their decision by the April Board of Directors' meeting. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

# Letter from the President

Just a tad beyond six months into this Presidency, I cannot get over how much of my life includes NSTRA - -by facebook, by phone, by text, by fax, by email, by snail mail, by car, camper, and caravan - -we connect constantly as we trial together. And when we aren't trialing, many are traveling. In addition, when we are not together, we vicariously share all achievements of extended members of this sporting family and we console with real and virtual prayers our birddog brethren's tribulations.

Traveling fairly close to home landed me last week at the Rock Creek Trial grounds for the 2022 UKC Performance Classic National Trial. The one hundred twenty-eight entries enjoyed great early summer weather in Nebraska. Plenty of cover and hardly any water standing created fantastic conditions. Congratulations to all competitors and supporters who were able to attend and savor, as well, the nightly corn-hole competition and camaraderie prevalent at our trials. In the end, spectators and officials alike were treated to a fiercely competitive repeat of the 2021 Quail Forever match-up featuring Crosswind Jim (owned and handled by Scott Townsend) and Skipper's Smokin Ally (owned and handled by Mikeal Mulberry). Ultimately, Jimmy prevailed in front of a larger-than-usual final-hour crowd...no doubt the result of wonderful Mid-West hospitality.

## **Reminders before you head off for a summer of weddings, fishing holes, and vacays:**

\*As of June 1st a dog cannot run in a NSTRA trial without a system-generated dog profile or record. A trial coordinator cannot create the record. National staff or officers can only create the record once registration papers are received in the NSTRA office. In addition, there remain many "unapproved" dogs in the system. Unapproved dogs shall not be entered to run in trials until proper paperwork is received and appropriate action to create the record is completed. Any questions concerning a dog should be directed to the national office or a national officer representative.

\*Our office is once again is short staffed. Please be patient when trying to reach MaryAnn in the national office. Please contact your national officer representative for questions. Be sure to leave a message when you call or send an email to get a prompt response.

\*The majority of 2022 Regional Elimination Trials are completed. Region Presidents need to ensure that the "region recap forms" are submitted to the office in a timely manner. We cannot prepare the Top Performance rankings or Dog of the Year quota calculations until all results are in.

\*There is a ballot in this magazine regarding an amendment to the Constitution and By-laws. This is an important issue. Please vote.

\*Get your Endurance entry in! Get the scholarship applications mailed! And, nominate a Distinguished member. Be safe this summer in your travels, be lucky in your fishing, and take time to enjoy a lazy summer nap with an old song.

"Ain't but three things in this world that's worth a solitary dime  
But old dogs and children and watermelon wine. . ." (Tom T. Hall)

Immediately following the trial, Julia had prepared the Welcome Dinner and began serving at 5. All Board of Director participants were to meet at 7 for the BOD's meeting. The meal consisted of pork loin, hot wings, bbq wings and lots of fixins. It was delicious and again, our thanks to the chef and her helpers. Also on hand was the Conservation Birddog Club president, Ed Jobst handling the pork loin.

Prior to the meeting, Nance presented Deb Heaton with a gift to express our appreciation for all she does to help with our computer system. Deb is ever present when anyone needs help and NSTRA does appreciate her expertise. The BOD's met and the members unable to attend in person participated in the meeting via zoom. Bill Sumpter, NSTRA National President, officiated at the meeting with many items discussed and several passed. The meeting adjourned at 9:30.

While fields were being cleaned, the draw was being held for Friday's running which would take the top 12 for hold over for Saturday. Juggs Catering had set up shop and were busy preparing the banquet meal. As always, the chicken, catfish, biscuits and apple butter was well received. Russ Taylor prayed over the food and all enjoyed the meal. John Rawdin, trial chairman, was busy presenting Wednesday and Thursday's trophies while Bill and Deb prepared the Amateur Trial draw for Friday. This being the first time we held 2 championship trials on the same grounds at the same time, it was a new experience. A good experience, as the Amateur trial was a fun adventure for all those with Amateur dogs via for an Amateur Championship. Both drawn were completed and all was set for Friday's running.

Trial Officials once again switched fields and as our weather held, we began Friday's running at 7:30.

As the dust cleared and 8 birds were taken from the field, time was called and the newest National Champion was crowned, True Blue's 105 Howitzer "Howi" with Jamie Laraway, Michigan Region. Howi scored on 5 birds – finds/75, 87, 86, 82 and 82 points. Retrieve scores were 82, A83, 84, 84 and 82. Obedience was 68.5, ground coverage – 72 and back – 40 points totaling 1090.5 points. Howi is a 3 year-old German Shorthair Male from National Champion and 9 time NSTRA Champion Crosswind Micro Chip and M'Credible Pick of Destiny. He has 59 total points of which 31 are first place points and is a 3 time NSTRA Champion. He also has 21 Amateur Points, 13 first place Amateur points and 1 Amateur Championship. Howi received the Championship trophy and belt buckle, 450# of Purina Pro-Plan dog food, a Dakota 283 dog box, Ramard supplement products, Dogs Unlimited \$50 gift certificate, Garmin Pro 550 Plus and TT15 Mini Dog Device, and \$50 gift certificate from Red Haw Supply compliments of Dion Bliss. The Top Four also will receive a winner's jacket compliments of Purina. Congratulation to Howi and Jamie, a complete field trial duo.

From Jamie: Howi's trial career started when I picked him up (a bit) early from Scott Townsend, who had him for training because Kara and I were headed to Florida for the 2020 Quail Forever National Trial. He started off hot and placed a few different times while we were there during the weekend & pre-trial(s) that the club hosted. We got a lot of great training time in while we were down there. In fact, one day while running dogs, my friend George Sterner Sr., told me that Howi was going to win a national someday, (George can add prophet to his long list of accomplishments). From there I was very excited about the future of this young dog.

When we took that summer off from dog trialing to harvest Blueberries on our family farm, I was excited to pick back up where we left off. However, at our first trial of the fall, I was disappointed, to say the least. On my first three runs that weekend I gave up three placements!! At that point, I was ready to move on from this young Howi dog and start over. When word got back to my beautiful wife that I was considering selling this dog, she put her foot down and told me if I was selling Howi, she would be the one buying him! When I went out for my last brace of the weekend, I was not very happy with my dog and my wife was not very happy with me... Of course, as these things go, I went out and had five birds and finished 1st in that field. Between Kara's "encouragement" and that five-bird sign from above, I knew I had to hang on to him for a while longer, Lord knows I'm glad that I did! Howi has been one amazing dog for me. I'm lucky to have a dog as talented as Howi, and a wife that's so much smarter than me!

The 1<sup>st</sup> runner-up was Skipper's Smokin Addie, 3 year-old English Setter owned by Greg Mulberry, handled by Mikeal Mulberry, Kentucky Region. Addie's sire is Tomoka's Smokin Bomb – 1x NSTRA Champion and dam – Shouse Dogwood Abby - 10 time NSTRA Champion. Addie has 52 total points of which 37 are 1<sup>st</sup> place points and is a 2x NSTRA Champion. She also has accumulated 15 Amateur points with 6 first place points and is a 1x Amateur Champion. Addie scored on 3 finds – 81, 83, 83 points; 3 retrieves – 86, 80, 85 with 67 points obedience and 84 points ground coverage. Addie took home 225 # of ProPlan, the runner-up trophy plus belt buckle, a gift certificate from Garmin, Ramard supplement products, Dogs Unlimited \$50 gift certificate, and \$50 gift certificate from Red Haw Supply. Congratulations to Greg and Mikeal on a week well done.

Second runner-up was a feisty, quick little Brittany female by the name of Boone County Wine "Wine". Wine is owned by Jeff Moore and handled by his niece Mychalie Moore both from the Kentucky region. Wine will be 4 years old in June and is from 3x NSTRA Champion Beeline Bullet's Bossman and McCandless Maggie May. His grandsire is the infamous 3x National Champion plus 32x NSTRA Champion "Nolan's Last Bullet". Wine is a 1x NSTRA Champion with 34 lifetime points of which 22 are first place points. She is also a 1x Amateur Champion with 6 first place Amateur points. She earned her 1<sup>st</sup> Championship at the [REDACTED] For her win, Wine was presented with 112 # of Purina Pro-Plan along with the 2nd runner-up trophy and Championship belt buckle, Supplements from the Ramard, Inc., Garmin gift certificate, and \$50 gift certificates from Dogs Unlimited and Red Haw Supply. Who says girls can't be in the winner's circle? Mychalie did a fine job and we know that Sara, Jeff and brother, Zach were certainly proud as was NSTRA.

Third runner-up was TC's Chairman of the Board "Boss" 4 1/2 year old German Shorthair Male owned and handled by Todd Craven, Ohio Region. Boss is from TC's Get Lucky Lou, 13x NSTRA Champion and the winner of three National Trials, Endurance 2018, UKC Performance 2017 and Dog of Year 2019. And it's sure looks like Boss is following in his sire's footsteps. The dam is Ole's Cuttin Loose Bailey. Boss is a 3x NSTRA Champion and has accumulated 36 first place points. His 1<sup>st</sup> NSTRA championship came on 7/12/20, the 2<sup>nd</sup> on 6/1/21 and 3<sup>rd</sup> at a 2022 QF qualification round. Boss was presented with 112 # of Purina Pro-Plan along with Garmin gift certificate, and \$50 gift certificates from Dogs Unlimited and Red Haw Supply along with Ramard Products. Congrats to Boss and Todd for a terrific week.

The fourth runner-up hailed from the Mid-West Region, Koda Bear Rusty's Bullet, a 4 1/2 year old Brittany female owned/handled by Todd Hendrix. Koda's sire is Footluce Louie Little Pants and dam Goodall's First Bullet. Koda is a 2x NSTRA Champion with 36 first place points and a 1x Amateur Champion with 21 first place Amateur points. Koda was presented with a 37 1/2 # of Pro Plan, a 4<sup>th</sup> place trophy and Ramard products. Hats off to Todd and Koda for a great week in Amo.

The 5th runner up was also from the Mid West Region, Phipps Headliner "Heddy", owned and handled by Rod Phipps. Heddy is a 5 1/2 year old English Setter Female from Phipp's Linking the Past and Phipps' Bird Desire. She is a 3x NSTRA Champion with 37 first place points and also a 1x Amateur Champion. Heddy was presented with a 37 1/2 # of Pro Plan, a 5<sup>th</sup> place trophy and Ramard products. Heddy and Rod are true NSTRA Champions in our game and always a tough draw.

**Highlights:** Just a note, Scott Townsend's Crosswind Truckin Fritz, Howi's grandsire produced 5 National Champions of which Chip was one of those. Now we have Chip the sire of 2 National Champions Howi and Louie, owned by Todd Craven. That's a total of 9 National Champions produced at the Townsend Kennels. One became a horseback National Champion. Quite impressive.

Jamie couldn't come to the front after his win because his wife, Kara, was running the championship round for the Amateur National Champion. He stayed behind to watch and cheer Kara on. So, they both came to the clubhouse with National Championships under their belts. What a trip this has been for the Laraway's.

Each handler was presented with a sleek, TOC jacket from NSTRA and flashlight from Moore ETC. in addition to bags of Purina Pro-Plan.

Thanks to all involved to make this trial one for the books. John Rawdin did a great job as trial chairman being many places at once and we appreciate all his efforts. Thanks to each and every one who was involved in any way in making this a super trial. And as always, thanks to our sponsors, Purina, Garmin, Ramard, Dakota 283, Dogs Unlimited, Red Haw Supply and Moore Etc.

# 2022 NSTRA Amateur National Trial of Champions

THE AMATEUR NATIONAL CHAMPION WITH 1<sup>ST</sup>, 2<sup>ND</sup> AND 3<sup>RD</sup> RUNNER-UP

During the last 4 days of April, 2022, NSTRA held it's first Amateur National Championship on the home grounds in Amo, Indiana. The weather was ideal for this first time running of the Amateur TOC in Amo. C Field was the site for the trial with Judges Mark Schwake – Mid West Region, Jimmy String – Arkansas Region and Alan Anderson – Illinois as field marshal. Sam Chandler – Indiana served as birdhandler. The trial would run as a beat-your-bracemate format with the accumulation of the week to be held Saturday with brace winners advancing through to the final 1/2 hour championship brace. After breakfast at the clubhouse served by Julia and company, the handlers and dogs were called to the line by Alan at approximately 7:30 a.m. Wednesday's running follows:

The welcome dinner was held after Wednesday's running with Julia and her staff preparing wings, pork loin, and lots of sides. Many of the Amateur handlers/owners attended and it was a great time to get to know new faces. We heard up front that the C Field was a rowdy, fun-loving crowd.

Friday evening was a free evening to do as one pleased. Many campers fired up the grills; some headed to town to the many restaurants in Plainfield. Saturday morning came early, but these Amateur handlers were ready and waiting to be placed in the bind and get the trial rolling. Such exuberance is what made this Amateur Trial such a hit. When people came from the C field all they could mention was the fun being had in the back. Makes for a great trial.

**Per Kara:** Jolene was special to me from the very beginning. My Jersey girl (Jolene’s mom) was ready to have her first litter of pups. I had her set up in our living room and around 10 pm the first puppy showed up. Jersey and I didn’t know what to do, we were both so nervous, but we comforted each other and welcome this little white nugget into the world. As soon as I saw her, I knew she was mine and her name would be Jolene.

**Fast Forward** through the puppy stage, it was time to start working. I had in my head that she would be the first dog I would break out on my own. Luckily, Thadd Townsend (after some coaxing) agreed to guide me through the training process. Crosswind Kennel became my home away from home, I dedicated all my weekends and even some weekdays to getting Jolene ready to trial. I am so thankful to Scott and Jill Townsend for opening their home and letting me stay with them time after time.

Training Jolene has been quite the learning experience, without Thadd there is no way Jolene would be the dog that she is today. The whole experience showed me how working with her one on one strengthened our bond - we understand and trust each other, even though she is a wild woman at times. As soon as her trialing career started, I knew she would be successful. She is determined, intuitive, and competitive. We are a team.

It was an unreal day to be able to share our Amateur National Championship win with Jamie and Howi's Open National Championship win – Jamie don't forget, Howi is MY dog! It will be something that will never be forgotten and talked about for years to come. I know I have a lot more to learn, but with the support system I have through Jamie, Thadd, Scott, and all my NSTRA friends; I hope to see more wins in our future. Thank you to all our friends and family that made this trial so special for us.

# INTERVIEW WITH A WINNER

## JAMIE LARAWAY

By: Marilyn Cunningham

### 1. How did you get started in NSTRA?

Kara decided she wanted a shorthair one day. If any of you know Kara, you know when she wants something it's a matter of time before she gets it. After we got a puppy the breeder recommended us to a dog trainer in our area. From there we met the owner of a beautiful dog training facility in Hartford, Michigan named, George Daniels. The main trainer at the time was, Mike Kibby, who ran a few dogs in NSTRA. He introduced us to the game, and it was not long after that we became hooked!

### 2. What was the name of your first dog?

My first NSTRA dog was an all liver Shorthair named, Bullet. I just retired him last year shortly after he earned his third championship. I learned more from Bullet than he learned from me.

### 3. Did you raise Howi from a puppy?

Yes. I got Howi from Scott Townsend as an 8 week old puppy. He was from a cross that produced many talented dogs including a 3 time national champion, Louie, and a multiple final 4 finisher, Kaiser.

### 4. Did you train Howi yourself?

Absolutely not! I sent him to Scott as soon as he would take him. As a young dog he was a lot to handle. I might be more ready for a young Howi at this point in my dog training career, but I am extremely grateful to have Scott's expertise so close to home.

### 5. How did you prepare for the TOC Championship?

Exercise and training. Kara and I worked dogs non stop this year and it definitely payed off.

### 6. Which of the braces during the TOC week was the toughest?

Almost all of them. Looking back at the road we took to the final hour, I realized we ran against three national champion handlers on Saturday alone!

### 7. When did you actually think you had a chance at the winning the championship?

When I got my fifth bird in the final hour. It wasn't until then that I actually believed I might win that trial.

### 8. Who has helped/influenced you the most in NSTRA?

That's easy, Kara, Scott, and Thadd.

### 9. What would you tell someone the best way to prepare for a championship trial?

Bring a dog in good shape, train hard, and hope for some good luck to top it off!

# INTERVIEW WITH A WINNER

## KARA LARAWAY

BY: Marilyn Cunningham

### **1. How did you get started in NSTRA?**

Jamie and I bought our first shorthair, Moose, and the breeder referred us to a local trainer that could break him out for hunting. That is where we met Mike Kibby, who ran in NSTRA and introduced us to the game.

### **2. What was the name of your first dog?**

Jersey, Jolene's mom, who I still currently run, is my first NSTRA dog.

### **3. Did you raise Jolene from a puppy?**

Yes, she was born in our living room. She was the first one who graced us with her presence, and I knew instantly her name would be Jolene.

### **4. Did you train Jolene yourself?**

Yes. But I must admit, Thadd Townsend can also take credit because he was and continues to be an integral part of her (and my) training.

### **5. How did you prepare for the TOC Championship?**

Keeping both Jolene and myself in shape. Training, roading, and competing in weekend trials.

### **6. Which of the braces during the TOC week was the toughest?**

The first brace is always the toughest for me. I always get in my own head and get so nervous about making the next cut. Once we advance to the next round, I am able to relax and keep the momentum going.

### **7. When did you actually think you had a chance at the winning the championship?**

Until the final brace was over. To win a championship trial, everything must go perfectly. I stayed optimistic throughout the trial, but on the other hand, I was prepared if things did not go as hoped. Once the last brace was over and the final scores were entered, it hit me!

### **8. Who has helped/influenced you the most in NSTRA?**

3 people: Jamie, Scott Townsend, and Thadd Townsend.

### **9. What would you tell someone the best way to prepare for a championship trial?**

Just run the brace in front of you, do not worry about the future until it's there.

# What If ...

## In the Nick of Time

It was Wednesday. I was due in Great Falls, Montana Thursday night to judge a field trial starting Friday morning. For the last several years, I started my season by hauling my camper to Montana, judging one day, and then running the next two days in a three-day Chukar trial. After the trial, I would bird hunt for a few weeks in Montana and Wyoming. It was a win-win situation for everyone, and I looked forward every year to meeting up with my friends.

I spent the previous night at a rest area in Wisconsin, and made it to my favorite breakfast restaurant, Norske Nook, right when they opened. Then, I made it through Minnie and traffic was light on I-94 northwest bound. I was cruising at 70 mph with a tailwind, which makes a huge difference pulling a camper. It was one of those beautiful Fall days in the northern tier- blue sky, slight wind, light traffic. Life was good. I happened to glance in my left mirror and saw a tire, 20 feet in the air in the left lane just behind the camper! Instantly, I figured it couldn't catch me if I maintained my speed, so I rolled along and watched the black tire hit the grass in the median and swerve back onto my side of the freeway and disappear behind my outfit. I saw no cars behind me or coming the other way, either. I was on I-94, at two p.m., in the middle of the week, and there were no cars in sight in either direction. I thought that was very lucky for someone since the tire bouncing along down the road could have easily hit another car. "Some guy just lost his spare tire," I thought. My rig was rolling fine. Maybe it was my spare tire? I slowed and pulled off to check my camper just prior to an exit. Braking was good, and nothing pulled as I eased onto the shoulder. I jumped out to check

my spare, but the mystery was solved the instant I looked at the axles on the driver's side of the camper. The front tire was missing. As I walked down the side of the camper, I saw the entire wheel assembly was gone. Only the end of the axle was left. I looked back for the tire and saw a guy walking along the edge of the freeway, rolling a tire ahead of him. I walked back to him and thanked him for rescuing my errant tire. He laughed and said he saw a tire in the air and slowed down to see where it would go. After it crossed behind me, it hit the cable along the edge of the road and stopped. I told my story, and then asked where the nearest town was to take the camper in for repair. He pointed at the exit and said, "That's the exit to Fergus Falls. There's an RV place in town. I don't know if they are still in business though." "Can I drive it like that?" "Sure," he said, "Just go slow and take it easy on the bumps." So, off I went up the exit ramp to Fergus Falls.

At the top of the exit, I pulled off the road and grabbed my phone. I dialed four different auto repair places, two service centers, three bait shops, and a motel. This was during the heart of Covid, and the story was the same everywhere. "We are backed up two to three WEEKS. Sorry!" No one answered the phone at the RV place. I figured I'd slowly pull the rig to the facility and see if anyone was home. Not knowing if I would break the remaining axle or blow the remaining tire, I drove through the business district of Fergus Falls, Minnesota with three tires on my four-tire camper. Oddly, no one gave me a second look as I pulled up to the RV store. It looked closed.

I parked in the shade and walked to the door to check their hours. The door was unlocked, and I eased into a room piled high with parts. I could hear men talking around the corner. So, I casually browsed through the isles as I determined which guy was the owner and which was the customer.

Finally, the part was ordered for the customer, and I learned Aunt Betty's health was OK, Rotary's speaker for the week cancelled, and the odds of the Vikings going all the way that year was zero. Then it was my turn. I said, "Well, I have a problem. My tire departed the camper out on the freeway, and I have absolutely no idea how to fix it!" I basically threw myself on the mercy of the parts man at the RV repair place.

He said, "Let's take a look," which was encouraging. I thought laughter and "See you tomorrow, bud", was more likely. But we went out to the camper, and he closely inspected the damage. He jacked up the axle and put a wood block in the springs, so the good axle could support the camper better. Then, he pronounced the most likely cause was a failed bearing that finally melted the axle and the entire wheel departed. "It'll take a new axle, bearing, tire, and other minor stuff," he said. "Let's see what I have." I said, "If you have the parts, can you fix it?" (It's about 5 p.m.) "Sure, if I have the parts, but I don't have an axle that will fit. So, let's see if we can find one." While I checked on the dogs, he started Google searches for RV axles based on the picture I took of the information plate welded on the damaged axle. An hour later, he looked up from his fourth phone call with a smile, and said, "I found one! But you need to be in Becker, MN at 7:30 a.m. tomorrow, at this address. This guy will fix you up. He has an axle. But, he wants to know, right now, if you can make it." "Absolutely!" I said, having no idea how I would get a three-wheeled camper back 130 miles the way I just came. He hung up after getting the address, phone number, and name of the shop. "Uh, John? How can I get my camper 130 miles back the way I came?" I said. "Randy, I see this type of thing all the time. You have 3 good tires. You have two 5300# axles, so you can support over 7000# easily. The max gross on your rig is 8000# and you aren't packed full of stuff. You probably don't weigh more than 6000#. I had one customer drive all the way to Pennsylvania on three tires. Just take it easy, go slow, and take your time. You can do it." I tried to pay him for his time, but he said, "I never did anything but give some moral support. You don't owe me anything. I need to closeup and head over to the church. It's fried chicken tonight! Good luck!", and he was off.

I found the address on the map. Luckily, there was a rest area on I-94 just ten miles from the shop. The adventure just kept on keeping on.

I arrived at the rest area several stressful hours later. I fed the dogs, ate a sandwich, and went to bed. It was 11 p.m.

The next morning, I was up at 5:30 a.m. and on the road by 6. I was gaining confidence driving my three-wheeled camper around but was still taking it easy on the bumps. The directions were not to a business district. In fact, I was on the outside of town. It looked more like grouse hunting country. I turned off the paved road on to a rural gravel road, then on to a more rural gravel road. I was in the grouse woods, but I couldn't really enjoy them because I was worried about turning this train around should I arrive at the wrong address. Finally, I saw a small sign nailed to a fir tree advertising trailers and trailer repair. Below the sign, an arrow pointed to a two-track snaking off into the woods. Below the arrow was a phone number. It was the same number I had for the shop. Encouraged, I turned on to the two-track and checked my watch. It was 7:15 a.m.

After a few hundred yards, with the road turning slightly left then right, I flushed a Ruffed Grouse off the road. Smiling, I turned another corner and the woods opened into a very large clearing with a well-kept house, lined up trailers, and a huge shop at the far end. The rollup door of the shop was open, and I saw a man sitting in a chair drinking coffee. I pulled up, rolled down my passenger window, and said, "I'm Randy. I sure do hope you are expecting me. Can you fix my axle?" It was 7:30 a.m. on Thursday.

"Back that thing in here," he said. Two more men appeared out of the back, as I unhooked the trailer. "Why don't you head to Rebecca's Café in Becker and get some breakfast," he said. "We got this. I'll see you in an hour or so." Before I left, they had all three tires off the ground, the wheels off, and I didn't want to get in the way. I left the high-flying wheel with them and left to get some breakfast.

By the time I returned, a new 7500# axle was exactly fitted and mounted, with new brakes, new bearings, and one new tire. Also, the other axle's bearings were checked and the bushings that linked the axles were all replaced. By 11 a.m., they finished up and I said, "I owe you some money. You have no idea how much I appreciate you and your crew. Thank you!" "Randy," he said, "I'm glad to have the work. We need it. This Covid thing has our entire state about shut down. We are happy to help. How does \$1100 sound? I only charged you labor for one guy, even though all three of us worked on it." He said he's thankful for the work. He had orders for over 100 ice-fishing houses but couldn't get the aluminum to build them with Covid shipping problems. Every day he wrestled keeping the business open. So, we thanked each other. Him for the work. Me for his work. He will never know how close he came to a bro-hug.

Wednesday afternoon, I never thought I'd be back on the road the next morning. It was 11:15 a.m. on Thursday. I was rolling up the freeway, just past St Cloud, MN, and I was due in Great Falls, MT at 7 a.m. the next morning (Friday) to judge. I figured I could make it if I drove through the night with a 2-hour nap thrown in there. I texted the trial chairman and told him what happened, and I would be there for the first brace. He expressed some skepticism. I headed west.

The rest of the tale is uneventful, if exiting the freeway onto a narrow two-lane county highway in pitch black Montana, headed to Roundup, in the RAIN, at 1 a.m. on a Friday morning is uneventful. In addition to the rain and dodging deer, there was a serious coffee emergency underway. When I drove through Glendive, then Miles City looking at a beautiful sunset and dry highway, I really wasn't thinking ahead about coffee for the all-nighter. I assumed I'd be able to find some- somewhere. There is no "somewhere" along that route. Later, after a two-hour nap, I didn't want to stop and crank up the generators to brew some, since I was already cutting my arrival close. I had no coffee, the rain was steady, and I was pretty sure the deer were out. I rolled into Roundup, MT at 2:30 a.m. looking for coffee. The town was closed. I spotted a deputy idling his car, so I stopped and walked over to him. He rolled down his window. "Hey, Deputy, what did you do to earn the midnight shift?" I laughed. He chuckled and asked where I was headed. "To the nearest coffee in Roundup," I said. "I need to be in Great Falls by 7." "Well,

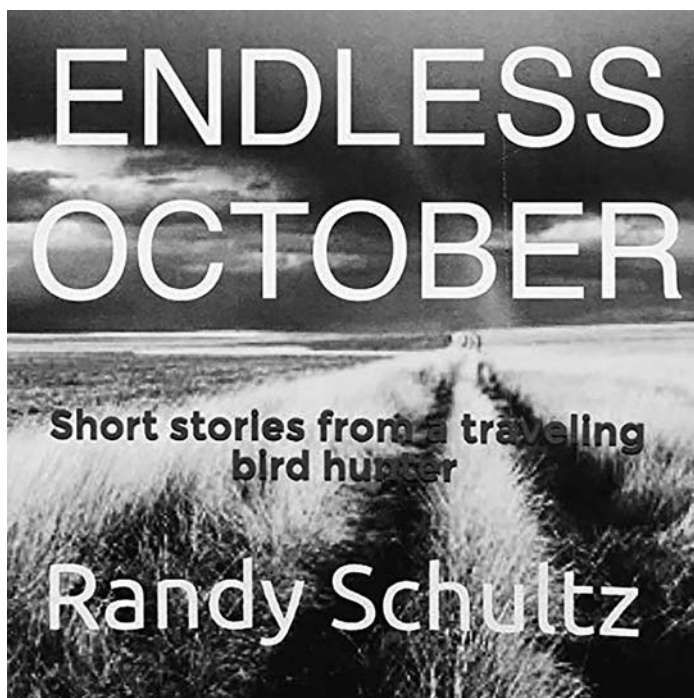

there's good news and bad news. The bad news is there is no coffee here. The worse news is the closest coffee is in Lewistown, an hour and change up the road at the Town Pump," he said. "What's the good news?" I asked. "I get off work in 4 hours," he said, laughing.

At least the rain backed off to a drizzle.

When I hit Lewistown, it was still dark, still raining, and my "caffeine low" light was flashing red. I stopped at the Town Pump and filled a giant Yeti cup with their finest, organic, sustainably grown, family-farmed, farmer-harvested, eco-friendly, gently roasted gas station coffee. It was so strong it was doing pushups in the cup. It reminded me, a little, of Ready Room coffee in the Navy, but marginally more refined. Perfect.

At 7 a.m., the Beast, the camper, me, and 5 bird dogs rolled onto the trial grounds off the end of the runway in Great Falls, MT. I staked the dogs out, watered them, and climbed on to a 4-wheeler to judge. I drove quickly to the start line, saw another judge, two dogs, and two handlers. I checked my watch, waited ten seconds, and yelled, "Turn 'em loose!" at exactly 7:30 a.m.

In less than 24 hours, I went from a broken axle/lost tire on the side of the freeway, hundreds of miles from my destination, where I didn't know anyone, to cruising down the road, whole and healthy, and on the way to fulfill a promise, on time. Everything just fell into place.

Yep. Livin' the life.
