Canine Products

Our products address specific issues related to your dog's health so they live the most fulfilling and comfortable life possible.

N
S
T
R
A

Total Joint Care

- Now with Omega-3s and Equanol for discomfort
- Replenish synovial fluid that cushions and lubricates the joint
- May reduce inflammation, discomfort and stiffness associated with everyday exercise
- Support the ligaments and tendons

Total Canine Relief

- Eases the effects of aches and swelling associated with everyday exercise
- Promotes faster recovery
- Beneficial for both joints and tendons without causing an upset stomach
- No harsh side effects

Total Calm & Focus

- Developed to calm your nervous, anxious canine and enhance focus
- No drowsy effects
- Perfect for hyperactivity, separation problems, thunderstorms, fireworks, grooming, vet visits, traveling, destructive or aggressive behavior and digging and scratching

Total GI Health

- One of the most comprehensive gastrointestinal products ever produced
- Addresses poor absorption, occasional intestinal discomfort, loose stool and upset stomach associated with normal dietary indiscretions
- Promotes growth of healthy intestinal flora
- Fast response time

Total Pre & Probiotic

- The next generation of Prebiotics and Probiotics with 50 million cfu per gram of powerful Probiotics
- Will rebalance and support total digestive health
- It may also support body condition, immune system, and disposition in the animal

5X STRONGER

Plaque Re-Release®

- Reduce plaque and tartar buildup
- Exact dosage
- Freshens breath
- Non-Abrasive, safe on teeth and gums
- Works below the gum line
- Reduced risk of damage to teeth and gums
- Cleans teeth

"Limit to weekend regional trialing in magazine will be 3 paragraphs - 300-400 words and 4 pictures".

Weekend Trials will be published in the order received as space allows.

As always, happy hunting!

NSTRA MEMBERS - Important things to remember!

Reminders – check back often!

National trials are the responsibility of the National Officers with input from the Board of Directors and the local co-chairs of national trials. Criteria for entry, which may be subject to change, for the original 5 National Trials is available in the reference section of the Rule Book beginning on page 41, Section 11. If a particular national trial is subject to changes in the entry criteria, there will be notice provided on the official entry form, in the magazine, on the national website, and/or by email if available.

To enter a national trial, you may submit a hard copy official entry form and payment, OR you may scan and email an official entry form with payment information, OR you may send by facsimile and official entry form with payment information, OR you may enter and pay on-line on the website. NO EXCEPTIONS.

Please note that additional new national trials may be added from time to time and do not yet appear in the current Rule Book. Please contact your National Officer Representative or the National Office staff for additional information regarding such trials. The current list of National Trials is as follows:

QUAIL FOREVER, formerly known as Quail Invitational. This is a revolving trial generally held in February.

TRIAL OF CHAMPIONS. This trial is held in Amo, Indiana, in April.

NATIONAL AMATEUR TRIAL OF CHAMPIONS. This trial is held in Amo, Indiana, in April.

UKC PERFORMANCE TRIAL. This trial is a revolving trial generally held in June.

PURINA ENDURANCE CLASSIC. This is revolving trial generally held in September:

DOG OF THE YEAR. This trial is held in Amo, Indiana, in October.

TOP PERFORMANCE AWARD:

To be eligible:

*Dogs must have at least 20 open points accumulated in weekend trials between June 1 through May 31 of the applicable year. Once a dog is eligible, a schedule of scoring is applied based on the results at regional elimination trials and National Trials

*The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1 in order to keep the number of national trials the same each year.

*The Regional Elimination trial results used in calculating Top Performance Awards is the regularly scheduled regional elimination championship in the qualifying year/season (only one regional can count per year). Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). The placement for the regional eliminations is determined by the score of the last round in which the dog ran. In addition, 100 points will be awarded to the Champion, 75 for the second-place dog, 50 for the third and 25 for fourth.

*The National Trials results are calculated as follows: A dog must place in the top 32 dogs to receive a qualifying score from that trial. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 – 775, 3 – 750, etc.). The placement for the national trial is determined by the score of the last round in which the dog ran. In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth.

HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted in a rolling calendar throughout the year. Send these nominations to the nation office, or to a national officer no later than March 31 of the year in which a dog is to be considered. Nominations of dogs to the NSTRA Hall of Fame are NOT “carried over” to following years. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted in order to be considered for election. The National Officers, in concert with the Board of Directors, make selections to the Hall of Fame each April.

TRIAL SCHEDULES:

Fall/winter trial schedules are due in the office by May 1. Spring/summer trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

SANCTION FEES:

Trial sanction fees are required BEFORE a trial packet is mailed and before a trial may be “approved” in the system. Please pay all sanction fees at least 4 weeks prior to your trial date to ensure prompt mailing of the packet and to ensure that the trial may be drawn in a timely

manner.

TRIAL REPORTS:

Trial reports and results should be entered into the trial draw system as soon as possible after a trial and no later than 10 days after the trial date. Overall results will not be approved until the reporting is complete. First place points and championships will not be confirmed or awarded until the reporting is complete. (This includes receipt of all registration paperwork for placing dogs.)

HOME REGION:

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1 and January 1..

*Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at any time to request a change in their Home Region.

ASSOCIATE MEMBERSHIPS:

Associate memberships are available to members’ spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. Associate members have the same rights as regular members with respect to participating in field trials (e.g., owning dogs, handling dogs, judging, bird planting, etc.). Associate member may not vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

RULE CHANGES:

Proposed rule changes or new additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

CONSTITUTION/BY-LAW CHANGES:

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

(continued on next page)

REGION HIGH POINT:

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of new registration papers with the new owners' names to the office. The date of transfer will be the date shown on the registration papers.

UNREGISTERED DOGS:

As of June 1, 2022, a dog cannot run in a NSTRA trial without a system-generated dog profile or record. A trial coordinator cannot create the record. National staff or officers can only create the record once registration papers are received in the NSTRA office. In addition, there remain many "unapproved" dogs in the system. Unapproved dogs shall not be entered to run in trials until proper paperwork is received and appropriate action to create the record is completed. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org), or a photocopy by regular mail.

NSTRA DISTINGUISHED MEMBERS:

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the Year banquet. Nominations may be submitted at any time to the staff at the national office, to a National Officer, or to the current chair of the Distinguished Members Committee. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included, if available. Contact the NSTRA office for a list of criteria. The committee will review all Nominations and verify contributions. Decisions will be made not only by the information submitted but by any other information collected. The committee will make their decision by the April Board of Directors' meeting. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

NSTRA MEMBERSHIP –
<http://nstra.org/forms/htm>

NSTRA has 31 regions across 48 states and Central Canada. Please visit the "REGIONS" page to determine which region is the nearest to you.

Should you need assistance,
please contact the NSTRA office:

By telephone: 317-839-4059;

by email: office@nstra.org.

You must be a member of NSTRA in order
to participate in
NSTRA sanctioned field trials.

Quail Forever- Seneca, South Carolina

February 21-24, 2024

QD: Nov 1, 2022 through October 31, 2023

Trial of Champions. Amo, Indiana

April 24-27, 2024

QD: Championship and is at least a 1x champion by February 1 of the current year or the dog can be paid standby for this trial by achieving their championship between February 1, 2024 and March 31, 2024.

Amateur Trial of Champions. Amo, Indiana

April 24-27, 2024

QD: Amateur Championship by February 1, 2024, and is NOT an open champion. A dog can be paid standby for this trial by achieving their Amateur Championship between February 1, 2024 and March 31, 2024

2023 UKC Performance classic.

Waverly, Nebraska, May 29-June 1, 2024

QD: Points earned from April 1, 2023 through March 31, 2024. Dogs will be eligible to enter the trial based on open points earned from weekend trials only. All open points will count except those points earned during qualifying and final rounds of the National Championship and Regional Championship Trials.

Purina Endurance Classic. Osceola, Iowa,

September 6-9, 2023

QD: Entry into this trial is based on all open points earned within a dog's home region and placement points earned from qualifying rounds of a National Trial during the period of June 1, 2022 through May 31, 2023.

Dog of the Year. Amo, Indiana, October 25-28, 2023

QD: Run in 2023 regional

Letter from the President

The National Officers accepted the latest offer of \$147,500 from the City of Plainfield, Indiana for the office building. Since accepting the offer, Lisa and MaryAnn have been busy preparing for the move. Julie Herwehe has scoured Central Indiana to find us a new home. The lease has been signed and our new address as of August 17, 2023, will be: 25 W. Marion Street, Danville, IN 46122. We will have the same phone numbers and email addresses. The office will be closed August 17-18, 2023, for the move. A big thanks to Julie for all the effort she has put in to find us office space and hopefully make the transition seamless!

Trial chairman need to create and pay sanction fees at least two weeks prior to the trial in order to insure the trial packet arrives on time. We continue to have trials created and paid for at the last minute causing packets to be late.

There still seems to be confusion on the procedure to get dogs in the NSTRA system. A copy of the registration papers needs to be submitted to the office. This can be accomplished by sending a picture or scanning the registration papers and emailing them to office@nstra.org or mailing them. Please include the call name of the dog. Additionally, the owner/owners including co-owners need to be current members.

Currently trial chairman can select non registered dogs when adding dogs to a trial. This happens because there are still over 900 unapproved dogs in the NSTRA data base, that is dogs that have not had the registration papers sent in to the NSTRA office. This happens because prior to June 1, 2022 a dog did not have to be registered, only eligible to be registered. Although these dogs are in the system, they are not eligible to run in a trial until the registration papers are recorded in the NSTRA office. A few ways to identify unapproved dogs are, no registered name, registered name not capitalized, no registration number. If there is any question concerning a dog's status, feel free to give the office staff, MaryAnn or Lisa a call.

The NSTRA Sponsorship & Marketing Committee was formed to help promote and grow the organization's membership, sponsorship and partner participation. We currently have tremendous sponsors and partners and we are actively working to add more. The committee is working to raise awareness and promote our sport on all media outlets. Going forward, each of the six national trials will be promoted in a similar manner leading up to, during, and following the event. Providing our members, followers and sponsors with quality content on all platforms, both digital and print. Please reach out to a committee member with your feedback!
Katie Jolliff – Chairman - katiejolliff.mw.nstra@gmail.com
Kara Laraway - khartmann182@gmail.com
Jayne Abney - jayne.abney@hughes.net
Josh Martin - aggie92class15@gmail.com

Recently a Committee tab was added to the NSTRA website. This can be found by clicking on the About dropdown tab, then click on committees(<https://www.nstra.org/committees/>).

In 2024 there will be three National Officer positions that will come up for election. President, First Vice President, and Treasurer. In preparation, I will be selecting a nominating committee in November. If you have any interest in being on the nominating committee please let me know.

Enjoy the rest of the summer. Fall trials and hunting seasons will be in full swing in no time. Good Luck.

Bill Sumpter

**Please register
your dogs!**

**We have 900 unregistered
dogs in the system! These
dogs need to be registered
in order to compete
in
NSTRA National Trials**

"We train our dogs with the products we sell."

 **The American Brittany**

The American Brittany Club is a member club of the American Kennel Club and the recognized breed sponsor by the American Field. The Club is comprised of many regional Brittany Clubs located from coast to coast. Most of the Clubs hold field trials, conformation shows and hunt test events. The clubs also hold meetings, funerals, training sessions and other events of interest to the Brittany owner. Membership in the American Brittany Club entitles you to a monthly issue of the American Brittany Magazine. This publication which began in 1949 keeps you abreast of what is happening in the Brittany world. The magazine contains reports of field trials, shows, hunt test and agility/obedience events, club activities and articles on the care and training of the Brittany. The magazine also has articles on hunting and general interest as well as listings of kennels, stud dogs and trainers.

YEARLY MEMBERSHIP IS \$50.

WHY DO MY DOG'S FEET SMELL LIKE CORN CHIPS?

By Nandini Maharaj

If you get close enough to your dog's feet, you might have noticed that they smell a bit like corn chips or Fritos.

Some dog owners don't mind the aroma. Others might find the smell unpleasant and perhaps even wonder if it's a sign of poor health. Since dogs can't tell us what's wrong, it's our job to learn what smells are normal and when it might be time to intervene and seek veterinary care.

What Causes the Corn Chip Smell?

At any given time, dogs have some level of bacteria and fungi on their skin. "When your dog's paws have a bacteria called *Pseudomonas* and *Proteus*, they can give off a yeasty odor that smells similar to corn chips," says the American Kennel Club's Chief Veterinary Officer Dr. Jerry Klein, DVM.

Dogs control their body temperature by panting. "Since they don't perspire, the only place dogs have to cool down is on the bottom of their feet," explains Dr. Amy Attas, VMD. She emphasizes that the "Fritos smell is completely normal" and doesn't mean that your dog has a bacterial or fungal infection.

Where these odor-causing bacteria can become a problem is "if they multiply out of control," says Dr. Dwight Alleyne, DVM. "Signs of unhealthy feet include bumps, redness, and swelling or a change in your dog's behavior, such as limping or excessive licking."

Should You Try to Get Rid of the Smell?

Dogs' noses are much more sensitive compared to humans'. Depending on the breed, dogs' senses of smell can be between 10,000 and 100,000 times stronger than ours. Accordingly, spraying perfume or shampooing them with scented products can be very unpleasant for dogs.

"Dogs want to smell like dogs," Dr. Attas emphasizes. "You don't want to mask the odor or add something to it." If you don't particularly like the Fritos smell, she recommends not putting your

face close to your dog's feet and using unscented wipes and soaps that are specially formulated for dogs.

Why Are Dog Feet Prone to Infection?

Your dog's feet can be a magnet for dirt and grime. Along with limited airflow between their toes, the combination of fur, heat, and moisture makes an ideal breeding ground for bacteria and yeast. When there's a buildup of these microorganisms, "dogs start licking their feet, which doesn't clean the bacteria," Dr. Attas says. "Instead, licking actually irritates the skin of the footpad and can lead to infection."

What Can You Do to Keep Your Dog's Feet Healthy?

Since the Fritos smell isn't a problem on its own, you only need to intervene if your dog is showing signs of infection such as redness, increased licking, hair loss around the footpad, or a change in foot smell. In order to properly clean dogs' paws, Dr. Alleyne recommends washing their feet with an antiseptic, dog-friendly shampoo and trimming excess fur between their toes using a pet hair clipper. Make sure to spread out their toes while bathing and properly dry their feet to avoid bacterial growth.

After you go on a walk, Dr. Attas recommends wiping your dog's feet with "alcohol-free, unscented baby wipes, because you want to get the dirt off without taking off the bacteria that are causing the Fritos smell." It's also a good

idea to take your shoes off when you get home, especially if you live in an urban environment. In general, you don't need to wash your dog's feet unless they've been digging in the mud or they've stepped in urine or feces, Dr. Attas says. Your dog will try to remove what's left behind by licking their feet. Giving their feet a good wipe prevents your dog from ingesting dirt and allergens that can become trapped between their toes.

Whether you have a puppy or an older dog, it's important to spend time learning what their anatomy looks, feels, and smells like when they're healthy and free of infection. Knowing your dog's normal smells can help you determine when something is wrong. Remember, you don't need to go overboard with foot washing. Ditch the dirt and keep the Fritos smell.

THE BOX

By Randy Schultz

The box arrived by mail a week after she left. Just a small, brown, hardwood box with her name on it and her ashes inside.

The day my wife and I picked her up, in the hills of North Carolina, she was a little ball of fur, squirming in my hands and begging to run. We didn't make it out of the driveway before she vomited on my wife's lap. Ruby never did like to travel very much. That was ironic since my closest hunting destination was over 1000 miles distant. But she and I both adapted and she settled for a crate in the back seat versus one in the bed of the truck.

Even as a very young pup, she was a runner. In Montana as a year old, I saw her cross a jackrabbit track, turn and take off. She sighted the rabbit about ten yards away. My friend and I watched as she not only kept up with the rabbit but was gaining some ground. I was laughing, and I told my buddy, "Watch this!" The rabbit glanced back, slapped in the afterburner and left Ruby standing in the scrub as he left a smoke trail like a Roadrunner cartoon. By then, Ruby was a half mile away from us and out of gas. It took her a while to return. When she did, we all just acted like nothing happened. There was no sense in rubbing it in. Later, she learned to leave them alone.

Ten years into my adventure with her, we looked at the mountain ahead of us. "You're limping. Are you sure you're ready for this?", my friend asked me. Well, he didn't say it outright, but he was thinking it. To his credit, he just turned and started up the hill, along the wood line, through the thick grass, stepping around the cowpies- new and old. Ruby and I followed. After a short time, I was gasping for air and trying not to be too loud about it and wondering why we needed to work our way up this mountain. My watch told me the altitude was close to 9500', and we were still headed up. "This is where the birds hang out this time of year," my friend said, not even breathing hard. Ruby was out of sight working along the edge of the trees 200 yards away. She didn't seem out of breath. Neither did my friend's dog, a small, all-white female pointer. Nope, just me- gasping for air and limping as I followed. Truly, I didn't mind getting older. I did mind being "that old guy" though. The one relegated to the easier, slower course. I was back to sitting at the kid's table.

We climbed and zig-zagged our way up the grassy slope, watching the dogs run through the sagebrush along the edges of the fir trees. These mountains are special and mystical to me. There is something about them. In the lower elevations, it's not unusual to see Moose, Elk, deer, and

the occasional Black Bear. But, up here, it's grouse. The birds, Blue (or Dusky) Grouse, roosted in the trees and dropped down to eat in the shrubs in the openings. In the winter, they would move even higher up into the mountains. They are big birds, second only to the Sage Grouse in size, and when they flush it's a thrilling sound to hear those big wings beating in the thin air. I like everything about them. The dogs find them easy to work, and they are easy to shoot. And, next to the Ruffed Grouse and the Chukar, they are amazing birds on the table. The only difficult part of hunting them is the location.

We finally reached the top and split up. As my friend moved into the wood line, I stayed outside the trees in the sage. Ruby worked through the area thoroughly covering the shrubs and 50 yards into the trees. I was admiring the view and out of the corner of my eye I saw a bird get up about 75 yards away in the flat. I was surprised because on the top of the mountain the trees were still thick, but the sagebrush was gone. It was like a lawn with very short grass. I didn't see any feed for them other than the short grass. Suddenly, one, two, then three more big birds launched out of a huge fir tree about 50 yards ahead of me on the edge of the woods. I moved ahead quickly and called Ruby in to check for any leftovers. She was at a huge disadvantage with the birds still in the trees. We worked all around the area and came up dry. My friend and his dog showed up and we widened the circle. Surely, one stupid one stayed behind. After a few casts around the area, we started to move out to the clear area to head back to the truck. We stopped on the edge to compare notes. Then we both heard the 'whoosh' sound of one of the big birds launching out of a tree maybe 30 yards away. We never even caught a glimpse of him with the thick woods between us. We laughed at the situation and tipped our hats to the "not so stupid" Dusky Grouse left behind. Also, we commiserated that we climbed all the way up to 10,000' feet just to bump a covey of Dusky Grouse out of a tree!

On descent, we worked along the edges again making our way back down the trucks. We were about a quarter mile from them when the little pointer locked up in the sagebrush. "No way," I thought,

"We walked right through here on the way up." Ruby backed. Then both dogs broke and started working and trailing scent. "They could have walked through here while eating," I thought. It was a flat area with a huge cottonwoods in the center. The dogs worked over to the tree and locked up again. I heard a flush. "Bam! Bam!" My partner shot twice, and two birds dropped out of the air. More birds flushed out of the tree- all of them on the other side. I was watching all this with my gun at the ready. "To your right!" yelled my partner. A Dusky Grouse came by me doing the speed of heat. I swung the 28 ga. up and loosed some 7 ½'s at him, but shot well behind him, and then he was gone. Ruby looked at me like she's done hundreds of times before. If she could have shaken her head, slumped her shoulders and walked away disappointed, she would have. She was too well bred and too much a lady for that. I hated to disappoint her.

We did a little trialing, too. She never had an issue coming off a hunting trip and walking right up to the start line. Some dogs did have a hard time making the adjustment. Along the way, she picked up three NSTRA Championships, which I thought was very good, since we were only able to run half or less of the trials every year. Then, one lucky year, she won the Georgia Championships. I didn't know it at the time, but a friend told me she was the only Brittany to ever do so. I told Ruby. She went back to sleep. Then, a few years later, she won again, showing us all the first time was no mistake.

When she was nearly 13, we were in Wisconsin to chase some Ruffs. She was limping more now, but with acupuncture and pain medications, she fought through it. Throughout the week, a friend and I walked the trails of the National Forest. In the past, Ruby would parallel the trail, crossing back and forth from 25-75 yards out. Now, she stayed mostly on the trail. Looking back on that trip, Ruby pointed more birds than all the other dogs together. What she lacked in strength, she more than made up for with her nose and intelligence. One time, the pagers beeped on my GPS. I skirted around a huge fir tree and saw Ruby pointing with Cap backing. Easing ahead of the dogs, at the ready, I heard the roaring flush of a Ruffed Grouse hidden by the big fir tree. Farther along, it thrilled me to see her ease along the trail and catch scent of grouse. The years melted away and the 13-year-old was three again, tail a blur, nose down, working to an exciting, solid point. And I was 13 years younger, as well, holding my breath and waiting for the roar of the flush, the shot, the retrieve, and the satisfaction

of Ruby and I admiring the bird in my hand. Every bit of those memories, and more, came to me as I looked at the little brown box in my hand. It joined the other boxes on the black walnut writing desk my father made over 70 years ago. And, like the other boxes did, it will travel with me over the next season, and I will pour her out over the places she did those amazing things.

2023 UKC Performance National Championship Trial

The UKC Performance began with a salute to our veterans and first responders with a prayer by J.B. Kunza and a rendition of the National Anthem by Ron Huels.

Our honorees:

Veterans Ron Huels, Jeremy Cloud, John Cullen, Lewis Burson, Scott Townsend and first responder Lori Sprick

If you had been to Nebraska multiple times, you would not have recognized it. There had been only 1 & ½ inches of rain in the last three months. The creeks were dry and one of the ponds was without water, but did offer a nice mud bath for the dogs. In previous years, the creeks were sometimes overflowing & there were only a few places to put a bird. The cover was good so the bird planter had plenty of options. It was in the high 80's and low 90's during the trial but we did get a little relief with rain on Thursday. As always, Rock Creek was ready for guests and a thanks to all who helped make the trial a success. A special thanks to Katie Jolliff for the wonderful pictures she took during the trial. Another thank you to Sara Moore & Moore, Inc for donating T-shirts which raised \$780 for the scholarship fund.

Each dog handler received a 6 lb bag of Purina ProPlan, UKC Performance hat by Red Haw Supply, a \$20 gift certificate for Dogs Unlimited, a face shield by Moore, Inc, and Tony's Creole Seasonings donated by Dollie Jo Cloud. Each dog's handler was also entered into a special drawing for a variety of items (vacuum sealer, pkg of flashlights, 3 lanterns, bluetooth speaker, \$50 gas card, a dozen Titelist Prov-V1 golf balls, 2- 10" bird bags, 2- Mud River dry dog food bags 55 cups, and Dan's collar bag).

The trial started on Wednesday, May 31st, with 127 dogs (71 males and 56 females) from 23 regions. The MidWest had the most entries with 25, Arkansas had less than half that number with 11, followed by Kentucky and Lone Star with 9 each. Five breeds were represented and the breakdown was 41 English Setters, 37 German Shorthairs, 23 Brittannies, 20 English Pointers & 6 German Wire-hairs.

In the first round on Wednesday & Thursday, the top 16 dogs advanced to next round where it became beat your bracemate for the remainder of the trial.

And A Field on Wednesday is off:

Judge Kevin Sprick, J.B. Kunza with Casey, Field Marshal Gina Nutt, Tom Gordon with Pete, and Judge Mark Kohlberg

2nd Place Bo Nutt & Gauge

3rd Place - J. B. Kunza and Trixie

With the end of Wednesday's first round, everyone settled down to a pulled pork dinner with all the fixings hosted by the Trial Chairman Bo Nutt.

Dollie Jo Cloud serving nice meal for all.

Continuing the first round, Thursday got off to a 7:30 am start with a rain shower:

The rain was gone by early afternoon, but it was a welcome relief to the heat & the dust.

Bo Nutt, Todd Craven & Boss, Purina Representative Courtney Bastian, Aaron Hunt & Morgan

It was wonderful to have Courtney Bastian, a Field Consultant from Purina with the Breeder Enthusiast Group from Bonner, MT, with us. Thanks for coming – we could not do this without Purina's continued support.

Bo Nutt, Patrick Sauer & Bru

The 3rd runner-up was Donnchadh the Bruce owned and handled by Patrick Sauer from the Lone Star Region. Bru is named after Robert the Bruce's (king of Scotland and Michele's 17th Great Grandfather) dog. He is a 3-year-old English pointer out of Princes's Sunny Hill Butch and Nemaha Bright Sadie (2016 TOC Champion). Bru is a 2x NSTRA champion who received his first amateur point in March of 2021 & his first open point in January of 2022. Since then, he has not looked back becoming the Lone Star Region High Point Amateur in 2022 and the 2023 Lone Star Open High Point winner with 18 open points. Patrick was awarded a UKC Performance Classic trophy, 3 bags of Purina ProPlan, a runner-up's jacket from NSTRA, a Garmin sporting dog collar, Montana Silversmith belt buckle, a Dakota 283 air crate, a \$50 Red Haw Supply (Dion Bliss) gift certificate, a \$50 gift certificate from Dogs Unlimited, a \$25 gift certificate from Gundog Supply, Total Canine Relief from Ramard, a jacket from Moore, Inc and a 10" bird bag. Congratulations to Patrick and Bru for an impressive trial.

Bo Nutt, Addie & Mikeal Mulberry

The 2nd runner-up was Skipper's Smokin Addie owned by Gregory Mulberry and handled by Mikeal Mulberry from the Kentucky region. Addie is a 4-year-old English Setter female from Tomoka's Smokin Bomb and Shouse Dogwood Abby. Addie is a 4X NSTRA champion with 75 open points – her 4th championship was earned during at the UKC Performance trial. Addie has been in the top 4 before as the 1st runner-up in the 2022 Trial of Champions. She was 2nd runner-up in the 2022 Kentucky regional. Addie was whelped at the Mulberry Farm and trained by Gregory Mulberry. Mikeal was awarded an UKC Performance Classic trophy, 3 bags of Purina ProPlan, a runner-up's jacket from NSTRA, a Garmin sporting dog collar, Montana Silversmith belt buckle, a Dakota 283 air crate, a \$50 Red Haw Supply (Dion Bliss) gift certificate, a \$50 gift certificate from Dogs Unlimited, a \$25 gift certificate from Gundog Supply, Total Canine Relief from Ramard, a jacket from Moore, Inc and a 10" bird bag. Congratulations to Gregory, Mikeal and Addie.

Bo Nutt & Aaron Hunt

The 1st runner-up was Huntsman's Mighty Morgan owned and handled by Aaron Hunt from the Midwest Region. Morgan is a 6-year-old German Shorthair female sired by Cedar Hills Come On Al and Spencer's Buck Naked Blue (dam). When Blue was pregnant with this litter, Mike Spencer, called Aaron to let him know about the litter and really talked him into getting a female. Aaron is glad he made that decision. Mike passed away two years ago from Covid but Aaron still calls Al's owner, Larry Alder, every year to give updates on Morgan's accomplishments. Morgan earned her 3X NSTRA championship at the UKC Performance trial. Morgan was the 2021 Midwest Region High Point runner-up and tied for the 2022 High Point. Aaron was awarded an UKC Performance Classic trophy, 6 bags

of Purina ProPlan, a runner-up's jacket from NSTRA, a Garmin sporting dog collar, Montana Silversmith belt buckle, a Dakota 283 air crate, a \$50 Red Haw Supply (Dion Bliss) gift certificate, a \$50 gift certificate from Dogs Unlimited, a \$25 gift certificate from Gundog Supply, Total Canine Relief from Ramard, a jacket from Moore, Inc, a Dan's collar bag, and a 10" bird bag. Good job Morgan & Aaron for a very competitive trial.

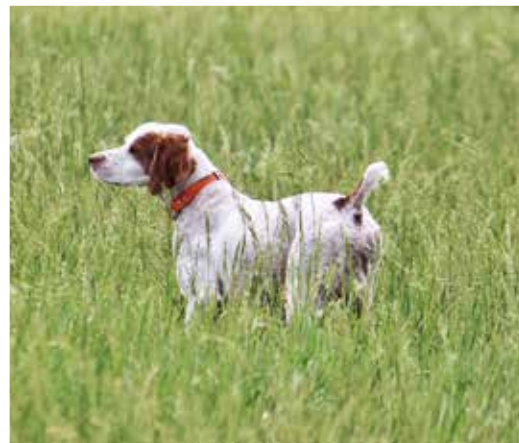

Bo Nutt & Todd Craven

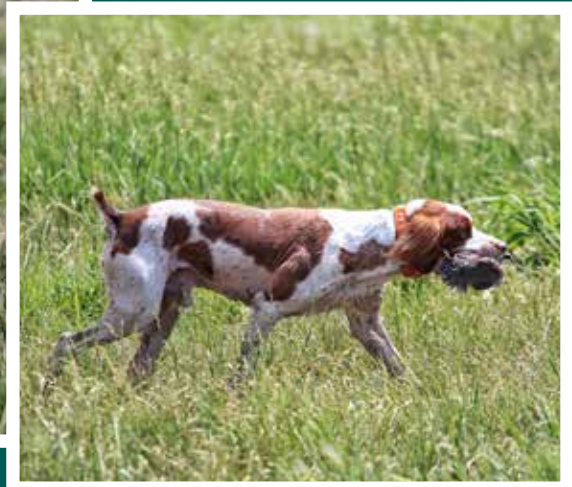

The champion was TC's Chairman of the Board (Boss) owned and handled by Todd Craven out of the Ohio region. Boss is a 5-year-old German Shorthair out of TC'S Get Lucky Lou (sire) and Ole's Cuttin Loose Bailey (dam) & earned his 5X NSTRA championship during the UKC pre-trial. Boss was also the 3rd runner-up in the 2022 Trial of Champions and was 3rd runner-up in the 2022 Ohio Regional. Todd has been in the top 4 at least 7 times – in fact, his dog Louie won this same trial in 2017 and his dog Reba placed 3rd in 2020. Todd was awarded an UKC Performance Classic trophy, 12 bags of Purina ProPlan, a championship jacket from NSTRA, a Garmin 550 collar, Montana Silversmith belt buckle, a Dakota 283 air crate, a \$50 Red Haw Supply (Dion Bliss) gift certificate, a \$50 gift certificate from Dogs Unlimited, a \$25 gift certificate from Gundog Supply, Total Canine Relief from Ramard, a jacket from Moore, Inc, a Boyt Mud River handlers bag, a stainless steel 2.5 gallon fish cooker, and a 10" bird bag. Congratulations for a job well done by Boss & Todd.

Roger Parient – Get him!

He got away

Steve Karnes, another high kick

Nathan Tekell – I'm on it

Mike Rost – it's behind you

Mitch Probst – don't shoot over the fence

Hey! There is a walking bird

Guy Fisher, there it is!

Kara Laraway – you plastered it

Clay Little – get ready before it gets away

Dennis Jones – what a kick

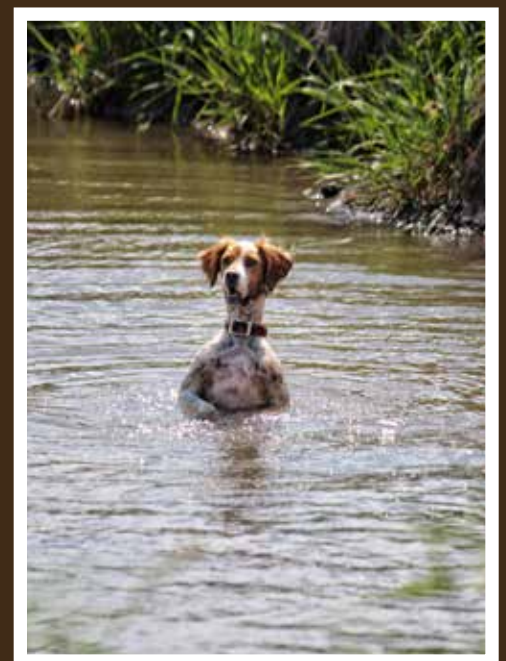

Todd Craven - got him

Dale Heaton don't shoot Shorty

Mud Bath felt so good

What's Happening?

In The Winner's Circle with "Boss" and Todd Craven

TC's Chairman of the Board, "Boss," is a German Shorthair, whelped 10/12/2017.
His sire is TC's Get Lucky Lou, and his dam is Ole's Cuttin Loose Bailey.

Boss is owned and handled by Todd Craven.

SIRE: TC's Get Lucky Lou

2017 UKC Performance Classic
Winner
2018 Purina Endurance Classic
Winner

2019 Dog of the Year

DAM: Ole's Cuttin Loose Bailey
"Bailey"

TC's Chairman of the Board
"Boss"
2023 UKC PERFORMANCE WINNER

WELCOME, NEW MEMBERS!!

1. **Where did you hear about NSTRA/what was the appeal of NSTRA for you?**
2. **What breed of dog will you be trialing/what is your background with bird dogs?**
3. **Will your family be a part of the association/attending trials with you?**
4. **Anything else you would like to include?**

Steve Milam, Arkansas Region

1. *We were told we should go to a field trial by a member to observe how the dogs were working. We purchased a dog so I could start quail hunting again which is what my dad taught me to do in the 60's*
2. *Brittany, and I haven't gotten any experience since the 60's when I was a kid.*
3. *Yes my wife will sometimes go she is also an associate member.*
4. *Looking forward to my first field trial.*

Daniel Jones, South Carolina Region

1. *Billy Moore; keeping my dog hunt ready*
2. *Brittany, first bird dog - just hunting*
3. *Maybe.*
- 4S. *No.*

Rhett Massey, South Carolina Region

1. *I heard about NSTRA through various podcast, but was urged to start entering trials by a friend. I look forward to the competition and working with my dog as a team.*
2. *I currently run a Brittany in AKC hunt test as well as hunting birds across the SouthEast. I got my first Brittany when I was 7.*
3. *I hope to eventually get my family more involved and one day maybe even compete with my sons.*
4. *I look forward to working as a team in competition and meeting other bird dog enthusiasts!*

John Engstrom. Northwest Region

1. *A FELLOW AKC FIELD TRIAL PARTICIPANT TOLD ME ABOUT NSTRA. SAID HOW IT WAS MORE LIKE REAL HUNTING AND DIDN'T HAVE AS MANY RESTRICTIVE RULES AS AKC TRIALS.*
2. *4 YEAR OLD BRITTANY WITH MULTIPLE AKC TRIAL BLUE RIBBONS AND A 1 YEAR OLD GSP WITH NO EXPERIENCE AND STILL WORKING ON HER NAVHDA PERFORMANCE LEVELS.*
3. *NO*
4. *DO WISH THERE WERE MORE NSTRA EVENTS IN OUR AREA. THE DEMAND IS MUCH HIGHER THAN THE EVENTS AVAILABLE. I'M AFRAID THIS MAY END UP HAVING ME LEAVE NSTRA IN A YEAR IF I DON'T THINK IT'S WORTH MY TIME.*

Skyler Tjaden – Indiana Region

1. I heard about NSTRA from a friend who I was asking about field trials that were as close to hunting as possible. Also Eric Forrester has a YouTube page and he was showing a trial he ran in Indiana.
2. I will be running Brittany's when I was in high school I got my first Brittany and fell in Love with the breed. I've never ran any sort of trials before but I'm excited to try!
3. My wife and I are excited to get started and plan on having our kids with us at every trial we run in to make it a fun family activity.
4. Only thing that I can think of adding is i wish that I knew how to get my daughter who is 8 more involved while she's young.

Barry Jacobsen, Arizona Region

1. Hello from Mesa ,AZ. Have attended a few trials with long time NSTRA member, Bob Henson, and think my Addy dog is ready to compete. Did all age trialing in the 1980s but can't afford that now and no longer have horses.
2. I will be trialing my English setter, Addy and besides the all age trialing, I have had bird dogs and have hunted over them since the 1950s. Starting with a cocker spaniel, then progressing to a laban a succession of 4 English setters, 4 German shorthairs and now back to an English setter.
3. My wife and I will attend trials and I am looking forward to being an active member.

Carey McAfee, NW Region

1. I first learned of NSTRA through a friend and renown dog trainer who I'm sure you are familiar with, Mike Smith of McCleary WA. I got interested in the training helping him with his dogs and his client's dogs.
2. Ironically, I have a black Labrador retriever named Baxter. I've been an avid upland and waterfowl hunter since I was 15 years old. Although I won't be participating in trials with him we do train with the pointing breeds.
3. My wife enjoys watching the training sessions with our local bird dog club. We will both be volunteering at an upcoming trial sponsored by Mike Ouchida in Eastern Washington next month.
4. I hope this is what you are looking for. Thanks for sending out my new member packet - nice to see folks I know in your magazine!

IT'S PUMPKIN TIME!

BUT: Can Dogs Eat Pumpkins & Sweet Potatoes?

Yes, dogs can eat sweet potatoes and certain parts of pumpkins as a treat if fed in moderation. After all, when you think of autumn, the foods that come to mind are probably the key ingredients to some of your favorite holiday meals and treats, like pumpkin and sweet potato.

During any autumn celebration, it's tempting to share these treats with your dog, but are they safe for them to enjoy? Purina nutritionist, Karina Carbo-Johnson, MS, reveals whether dogs can safely enjoy pumpkins and sweet potatoes this fall.

Can Dogs Eat Pumpkin?

Yes. If you're wondering, "is pumpkin good for dogs?" wonder no more. Dogs can eat pumpkin, but you have to be careful which parts of the pumpkin you're feeding them. Since some dogs will eat almost anything, don't be surprised if your dog looks at a pumpkin with a high amount of interest.

Since small pumpkins and gourds may resemble a toy or ball, dogs may have difficulty resisting picking them up if left within reach, so be cautious.

Is Canned Pumpkin for Dogs Safe?

Yes. According to Carbo-Johnson, "Raw pumpkin is actually less digestible for your dog. Also," she adds, "the stem and leaves are covered in prickly hairs that can be harmful if ingested."

Pumpkin seeds can make a healthy and tasty treat, too, as they contain nutrients such as antioxidants, which play a role in overall health. Talk to your veterinarian before making any substitutions to their regular treat routine to ensure your dog is still eating a 100 percent nutritionally complete diet.

Health Benefits of Pumpkins for Dogs:

- Excellent source of fiber
- Features iron, potassium and carotene
- Loaded with vitamin A
- Supports healthy digestion
- Promotes eye health

Can Dogs Eat Sweet Potato?

"Yes, sweet potatoes are a great treat for dogs," explains Carbo-Johnson. "Not only are they low calorie, but they contain fiber and vitamins B6 and C. Additionally, they contain beta-carotene, which contributes to vision and growth.

"If offering a cooked, mashed sweet potato, be sure not to add any unnecessary flavorings like brown sugar, marshmallows, butter or syrup. Plain, mashed sweet potato is delicious enough," she says. "Adding extra fat, calories and sugar could cause health concerns."

Health Benefits of Sweet Potato for Dogs:

- Great source of magnesium, iron and potassium
- Packed with beta-carotene and other

- carotenoids
- Features vitamins B6, C and D and plenty of antioxidants

- Promotes eye health, heart health, nerve health, digestion, healthy bones and teeth, immune function, free radical neutralization and more

No matter what time of year, every season has its celebrations. Whether it's knowing holiday safety tips, keeping your dog safe from fireworks or knowing which holiday plants may be poisonous to your dog, a little preparation can ensure a joyful occasion.

NSTRA, UKC and American Field

by: Todd Kellam

**United Kennel Club Headquarters
Kalamazoo, MI**

Since the fairly recent acquisition of American Field by United Kennel Club I have wanted to update the NSTRA family on how this affects you. For approximately half of you, this monumental acquisition has a significant, positive effect. For the other half, I hope it has an important effect on your future. But first, we have some history to digest.

United Kennel Club was founded in 1898 in Kalamazoo, Michigan, where it is still headquartered today. UKC was established on the basis that founder Chauncey Bennet was not happy with the way the all-breed registry in New York was being administered. He felt there needed to be a registry more dedicated to working dogs and the working man. I get a chuckle when I read the quote that Bennett, "Was tired of the \$2 wallop", in dealing with the New York registry. To make a long history short, UKC was born and has represented the working class promoting the working dog ever since.

The UKC is the largest all-breed

performance-dog registry in the world, registering dogs from all 50 states and 25 foreign countries. Celebrating the unique Total Dog philosophy, the UKC events highlight the instincts and heritage of dogs that look and perform equally well, as more than 60 percent of our annually licensed events are tests of hunting ability, training and instinct. At UKC, we pride ourselves on our family-oriented, friendly, and educational events that welcome both purebred dogs and dogs of unknown ancestry.

Over twenty years earlier, in Chicago, Illinois, a similar model was already established. And although the Field Dog Stud Book was formed on the basis of being an all-breed registry also, it was quickly creating a niche' of working-class dogs all its own. I can only assume that FDSB was not on Bennett's radar because Bennett was not a bird dog man. In its first 20 years, FDSB had already established itself as the premier registry for bird dogs and pointing dog field trials.

American Field has always been spoken synonymously with Field Dog Stud Book. FDSB was a division, the registration division, of American Field. American Field was the publisher of "*American Field Magazine*" which is historically significant as it is the longest running outdoor publication for sportsman in this country. Those of us who have only seen the publication in the last 30 years wouldn't realize this but initially the publication reported on all types of sporting hobbies including hunting, trap shooting and fishing. "*American Field*" eventually evolved into the premier publication of pointing bird dogs and pointing dog field trials. In addition to publishing the weekly magazine, the American Field brand also organized and licensed pointing dog field trials.

If you are following closely you can see that two of the three largest registries in the United States were established within 24 years of one another beginning in 1874. But the fact of most significance is that two of these three registries were on the same path. Since they were established, and continuing today, they were managed with working dogs in mind. They lived a peaceful and cooperative co-existence because they had each established their own niche' early on and both were very successful. To think that almost 150 years later those two registries would become one should not surprise us. Rather, it almost seems like it was meant to be and it is very satisfying to see this come to fruition as it strengthens both of these premier brands. As we look at the NSTRA relationship with American Field there is, or was, a significant history. Admittedly, I am not the best person to recap that for you. NSTRA has many members today who are far better versed on the history of that relationship as it was not all that long ago. For many years NSTRA was an important and vital part of American Field. NSTRA's presence in the American Field publication was undeniably strong. And it was welcomed throughout the all-age, shooting dog and cover dog factions. I am reminded of this often while attending American Field events today. Those other field trialing groups do in fact miss NSTRA's presence in the American Field publication. Not long after NSTRA and American

Field had a parting of the ways UKC and NSTRA (2012) formed an affiliate based relationship where we still find ourselves today. In exchange for the registration of NSTRA member's dogs with UKC, United Kennel Club would recognize NSTRA titles on our pedigrees and in the UKC database. For the last 10 years I feel like the national officers of NSTRA and myself have had a very good working relationship. The lines of communication remain open, friendly and supportive. I very much appreciate the friendships I have made throughout the community of NSTRA members.

Looking forward, we have much to look forward to! It is my goal to bring the NSTRA program back under the umbrella of American Field. I'm not sure yet what all that would entail but I would like for NSTRA to have a presence in the American Field publication in the form of Championship recaps, upcoming event advertising and membership kennel ads. We have some work to do but it's not as much as you might think.

Keep in mind that with the American Field acquisition, almost half of the NSTRA member's dogs are now considered UKC registered. I think it is pretty safe to assume that all of the working English Pointer and English Setter dogs in this country are presently registered with FDSB. An FDSB registered dog is now considered a UKC registered dog. That is a very important detail to keep in mind. For the pointer and setter people, there is nothing else you need to do to keep your dogs current with UKC than what you have already been doing! And let's assume that some percentage of the Brittany, GSP and other breeds were also registered with

FDSB. This is where we have a little work to do but we will get there.

For those that are not aware, a version of the magazine, previously published weekly as "American Field," is available again in print form. There was a period during the pandemic years when the magazine was offered in a digital version only. It is now being offered as a monthly newsletter titled UKC FIELD. It has the same content and format as you remember. If you enjoy staying abreast of all the news from the all-age, shooting dog and cover dog sports then you will be happy to know that you can do so again by receiving a print version of the publication.

I do have one new UKC Team member to introduce to NSTRA. Domenick Mouio (pronounced Moyo) joined our Hunting Ops Team as Field Trial and Hunt Test Program Manager in December, 2021. Domenick should be your first line of communication if you have any program related questions. I am always willing to help as well. You will get to meet Domenick on the road at one of your upcoming Championships.

I also have a tip for you in regards to contacting the UKC office for questions regarding registration services. Due to an overwhelming volume of calls we have extended office hours from 8:30 a.m. until 8:30 p.m. ET., Monday through Friday. Hold times may be lengthy and vary by time of day. There is a call-back option so you don't need to wait on hold. But, there is a better option! We also now

have a Chat function available from any page of the website where you can chat directly with a registration staff member and the wait time for that option is typically a couple of minutes.

With that, I will say best of luck to all NSTRA members in the coming trial season. I plan to be in Amo in October and look forward to seeing everyone again!

Todd Kellam and his English Setter, "Belle"

Domenick and his Standard Poodle, "Sailor"

2023 OFFICIAL ENTRY FORM FOR DOG OF THE YEAR TRIAL

WED-SAT	DATE October 25-28	LOCATION Amo, IN	ENTRY FEE \$175.00*
---------	------------------------------	----------------------------	-------------------------------

*Dog's Registered Name: _____ Number: _____

Region: _____

Owner: _____ NSTRA # _____

Address: _____

City: _____ State: _____ Zip: _____ Phone: () _____

Email Address (for official notifications): _____

Handler: _____ NSTRA # _____

CC# _____ Exp Date: _____ CVV _____

Entry Deadline: Entries must be received by September 11, 2023

Four easy ways to enter:

- 1) Enter online at www.nstra.org/trial-registration
OR
- 2) E-mail your entry form to office@nstra.org with payment information
OR
- 3) Fax entries to 317-839-4197
OR
- 4) Mail entry & fee to NSTRA, 25 W. Marion St. Danville, IN 46122.
Only one check or money order per entry.

- Entries taken by mail, fax, or email only on: Official National Trial Entry Form.
- No telephone entries or after-hours messages will be accepted.
- All payments will be processed upon receipt.
- Late Entry Deadline (Additional \$25.00): Tuesday, October 24, 2023
- Handlers: The handler drawn to run the dog must be the handler to run the dog if they are present at the trial. Substitutions can only be made in the case of illness or emergency subject to approval of the trial chairman.

NSTRA AND NSTRA CLUBS ARE NOT RESPONSIBLE FOR ACCIDENTS DURING TRIALS.

NSTRA OFFICE IS NOT RESPONSIBLE FOR NON-RECEIPT OF ENTRIES. VERIFY ENTRIES ONLINE AT WWW.NSTRA.ORG.

Nature of this Award: National Shoot to Retrieve Association (NSTRA) offers this private scholarship program annually based on revenues generated and deposited to the NSTRA Trust Inc. The availability of the total number of scholarships and the amount of funds awarded may vary from year to year. The applications received are redacted as to identity of the applicants, reviewed and ranked by the scholarship committee, and awards are then determined by the National Officers. All recipients are expected to provide updates and follow-up to NSTRA regarding progress to academic goals. NSTRA SCHOLARSHIP 2024

JUDY, JUDY, JUDY...

JUDY: THE DOG WHO BECAME A PRISONER OF WAR

(<https://factstory.org/judy-the-dog-who-became-a-prisoner/>. REPRINTED WITH PERMISSION)

Judy, the liver and white-colored pointer, captured the hearts of the nation during the Second World War with her heroic acts and time spent as an official Prisoner of War. As the ship's mascot on board the gunboat HMS Gnat, Judy proved her worth by alerting sailors to the presence of river pirates and hostile Japanese aircraft. She later transferred to the gunboat HMS Grasshopper, where she saved the lives of her compatriots by finding fresh water on a deserted island. Unfortunately, Judy and the survivors were taken as prisoners by the Japanese and sent to a camp in Medan, North Sumatra. It was there that Judy formed a bond with Leading Aircraftman Frank Williams, who shared his meager rations with her. Judy's bravery and loyalty continued throughout her time in captivity, and she eventually returned to Britain as a national hero.

Judy in quarantine kennels [Credit: PDSA]

JUDY'S EARLY LIFE

Judy, a pure-bred pointer, became the ship's mascot on board the gunboat HMS Gnat in 1936. Although initially unsuccessful as a gundog, Judy soon proved her worth by alerting sailors to potential dangers such as river pirates and hostile Japanese aircraft. Her superior sense of hearing and keen instincts made her an invaluable asset to the ship's company.

JUDY'S HEROIC ACTS

Judy's first major act of heroism occurred when she was on board the gunboat HMS Grasshopper in 1942. After the ship was attacked by Japanese aircraft, Judy and the survivors were forced to abandon ship and find refuge on a deserted island in the South China Sea. With no fresh water supply, the situation looked dire for the stranded sailors. However, Judy's incredible instincts led her to dig a hole and find fresh water, ultimately saving the lives of her compatriots.

LIFE AS A PRISONER OF WAR

After the survivors of HMS Grasshopper and HMS Dragonfly were taken into custody by the Japanese, Judy remained by the side of Leading Aircraftman Frank Williams. She protected him and the other Prisoners of War by distracting the camp guards during

punishments. When the prisoners were told they would be heading to Singapore on board the SS Van Warwyck, the Japanese refused to allow Judy on board. However, the prisoners were determined to keep Judy with them and devised a plan to smuggle her onto the ship in a sack. This act of defiance ultimately saved Judy's life.

JUDY'S BRUSH WITH DEATH

On June 26, 1944, the SS Van Warwyck was torpedoed by a British submarine, unaware that it was carrying Allied prisoners of war. Amidst the chaos and destruction, Judy managed to escape unscathed. She even helped save the lives of those who couldn't swim by pushing pieces of wood towards them. Eventually, the survivors swam towards a Japanese tanker and Judy was hauled aboard. However, the Japanese guards planned to kill her upon reaching land. Fortunately, the former commander of the prisoner of war camp intervened and ordered that Judy be listed as an official Prisoner of War, ensuring her safety and eligibility for rations.

JUDY'S RETURN TO BRITAIN

After the Japanese surrender in August 1945, Judy returned to Britain with Frank Williams. She was met with national adoration and awarded the PDSA Dickin Medal, the highest honor an animal can receive, for her bravery and devotion during her time as a prisoner of war. The citation praised Judy's courage and endurance in the Japanese prison camps, which helped maintain morale among fellow prisoners and saved many lives through her intelligence and watchfulness.

JUDY'S LEGACY

Judy receiving her PDSA Dickin Medal in 1946 [Credit: PDSA]

Judy remained with Frank until her death on February 17, 1960. She was buried in Tanzania, where Frank was working at the time. In tribute to his beloved companion, Frank built a monument at Judy's grave and attached a large metal plaque detailing her remarkable life and daring feats. Judy's story continues to inspire and remind us of the incredible bond between humans and animals, especially in times of conflict.

CONCLUSION

Judy, the dog who became a prisoner of war, is a true hero of the Second World War. Her bravery, loyalty, and heroic acts saved countless lives and served as a source of inspiration for her fellow prisoners. Judy's story reminds us of the unwavering bond between humans and animals and the incredible feats they can achieve together. Her legacy lives on, and her memory will forever be cherished as a symbol of courage and devotion.

MEET THE GUN DOGS PART 2

In the coming issues of our magazine (as space permits), we will be visiting many of these extraordinary breeds.

MEET: THE BRACCO ITALIANO

The goals and purposes of this breed standard include: to furnish guidelines for breeders who wish to maintain the quality of their breed and to improve it; to advance this breed to a state of similarity throughout the world; and to act as a guide for judges. Breeders and judges have the responsibility to avoid any conditions or exaggerations that are detrimental to the health, welfare, essence and soundness of this breed, and must take the responsibility to see that these are not perpetuated.

Any departure from the following should be considered a fault, and the seriousness with which the fault should be regarded should be in exact proportion to its degree and its effect upon the health and welfare of the dog and on the dog's ability to perform its traditional work.

HISTORY

The Bracco Italiano was developed in Italy as a pointing dog. Originally used to find and point game that was captured by nets, it has evolved over the years into a fine upland shooting dog.

The Bracco Italiano was recognized by the United Kennel Club in 2006.

GENERAL APPEARANCE

A powerful, symmetrical dog with clean lines and strong muscles, the Bracco Italiano has a distinctly sculpted head that gives uniqueness to the breed.

Disqualifications: Unilateral or bilateral cryptorchid.

CHARACTERISTICS

Tough enough for all kinds of hunting, yet

docile, intelligent and very easily trainable. Working dogs are not to be penalized under any conditions for scars or blemishes that are due to hunting injuries.

Disqualifications: Viciousness or extreme shyness.

HEAD

Long, angular and narrow. Skull and muzzle are of equal length, and the toplines of the skull and muzzle are distinctly divergent.

Disqualification: Parallel head planes.

SKULL

Arched in profile, oval when viewed from above. Width at the widest point should not exceed half the total length of the head. Occiput is prominent. Stop is slight; with a groove between the eyes that ends midway to the back of the skull. Forehead is pronounced. Cheeks are lean.

MUZZLE

Nearly as deep as it is long, with a straight or slightly convex nasal bone. Tapers in width slightly from stop to tip. Chin not prominent. Upper lips thin and loose without being flaccid. From the front, they form an inverted V beneath the nose.

TEETH

The Bracco Italiano has a complete set of strong, white teeth that meet in a scissors or level bite.

Disqualifications: Overshot bite. Extremely undershot bite.

EYES

Obliquely set, fairly large, oval in shape, with tight fitting lids. Expression is soft and submissive. Dark ochre or brown in color, depending on coat color.

Disqualification: Wall eyes.

NOSE

Large and fleshy, with well-opened nostrils, the nose protrudes beyond the line of the lips. Brown, pink or flesh colored depending on coat color.
Disqualification: Split nose.

EARS

Long and set low, and well back, without much erectile power. Rather narrow at the base, the front rim is well turned inwards, and the ears are carried close to the head. Slightly rounded at the tip.

NECK

Long (not less than 2/3 of the length of the head), and arched with a soft double dewlap.

FOREQUARTERS

Shoulder blades long, strong and sloping, with very free movement, with a corresponding long, well angled upper arm that sets the elbows back under the tops of the shoulder blades. The tops of the shoulder blades are well separated.

FORELEGS

Long, straight and sinewy, with oval bone. Pasterns of good length and slightly sloping.

BODY

Square or slightly longer than tall in proportion, measured from breastbone to buttocks and withers to ground. Chest broad and deep, reaching to elbows, but without a prominent keel. Ribs well sprung, and deep to the back of the body. Withers are well defined, and the tops of the shoulder blades are fairly far apart. Topline slopes downward from the withers to the 11th dorsal vertebrae, and then rises to a slight arch over the broad loin. The croup is long and broad, with the pelvis sloping 30 degrees off the horizontal.

HINDQUARTERS

Strong and muscular.

HIND LEGS

Long upper thighs that are parallel when viewed from the rear. There is good bend of stifle. Hock joints are wide apart and the rear pastern is short and lean.

FEET

Oval in shape, with well-arched, tight toes and lean, elastic pads. Nails white, yellow or brown depending on coat color. Rear feet may have single or double dewclaws.

TAIL

Thick, straight, and slightly tapering. Should be docked from six to ten inches in length. When the dog is in motion, particularly when hunting, the tail is carried nearly up to the horizontal.

COAT & SKIN

Coat is short, dense and glossy, finer and shorter on the head, ears, front of legs and feet. Skin is thick but elastic, finer on the head, throat, armpits and lower body. Mucous membranes are a color that corresponds with the coat but must never be black.

Disqualification: Mucous membranes or skin that is black or has traces of black.

COLOR

Solid white. White with orange or chestnut patches. Orange or chestnut roan. In the chestnut roan, a warm shade, reminiscent of a monk's frock, is preferred. A symmetrical face mask is preferred but the absence of one is tolerated.

Disqualifications: Black, black and white, tricolor, fawn, hazel, any solid color, any tan markings. Albinism.

SIZE & WEIGHT

Preferred size for males is 22¾ to 26¼ inches at the withers; for females, 21¾ to 24½ inches. Weight 55 to 88 pounds, depending on size.

GAIT

An extended and fast trot, with strong drive from the rear quarters. Head carriage is raised, and the nose is held so that it is higher than the topline. The graceful, effortless 'Bracco trot' is the breed hallmark, with the dog appearing to float on a cloud.

ELIMINATING FAULTS

(An Eliminating Fault is a Fault serious enough that it eliminates the dog from obtaining any awards in a conformation event.)

More than one inch over or under the preferred size.

DISQUALIFICATIONS

(A dog with a Disqualification must not be considered for placement in a conformation event, and must be reported to UKC.)

Unilateral or bilateral cryptorchid. Viciousness or extreme shyness. Albinism.

Parallel head planes. Overshot bite.

Extremely undershot bite.

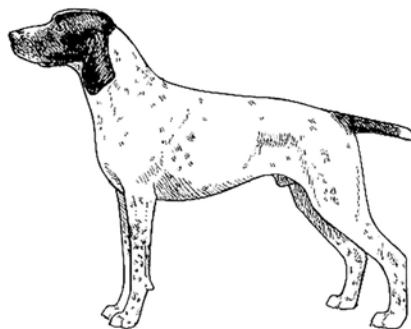

Wall eyes.

Split nose.

Mucous membranes or skin that are black or have traces of black.

Black, black and white, tricolor, fawn, hazel, any solid color, any tan markings.

MEET: THE BRAQUE D'AUVERGNE

The goals and purposes of this breed standard include: to furnish guidelines for breeders who wish to maintain the quality of their breed and to improve it; to advance this breed to a state of similarity throughout the world; and to act as a guide for judges.

Breeders and judges have the responsibility to avoid any conditions or exaggerations that are detrimental to the health, welfare, essence and soundness of this breed, and must take the responsibility to see that these are not perpetuated.

Any departure from the following should be considered a fault, and the seriousness with which the fault should be regarded should be in exact proportion to its degree and its effect upon the health and welfare of the dog and on the dog's ability to perform its traditional work.

HISTORY

The Braque d' Auvergne, or "Auvergne Pointer", was developed in France by hunters who wanted a strong dog that could hunt tirelessly. It is a breed of ancient origins, known for two centuries in the Cantal region.

The Braque d' Auvergne was recognized by the United Kennel Club in 2006.

GENERAL APPEARANCE

A sturdy, robust, short-coated, black and white pointing dog of medium size, with distinctive Braque characteristics, his

appearance suggests the capacity to work all day, covering a great deal of ground with supple action.

CHARACTERISTICS

Kind, intelligent and tractable, the Braque d' Auvergne has natural hunting instincts and a keen sense of smell. He is also well suited to family life.

HEAD

The head is long, in proportion to the size of the dog, and characteristically somewhat lighter in females than in males. The stop is moderate but defined. In profile, the lines of the skull and the muzzle are slightly divergent.

SKULL

Viewed from above, the skull is oval in shape. The occiput is only moderately defined. The width of the skull between the zygomatic arches is equal to its length.

MUZZLE

Same length as the skull, with a straight nasal bone. Upper lips overlap the lower, forming a square end to the muzzle.

Serious Faults: Parallel head planes, concave or convex muzzle, pointed muzzle. Over-developed lips.

TEETH

A full complement of strong teeth meet in a scissors or level bite.

EYES

Fairly large and set rather deeply, oval in shape and dark hazel in color, which creates a kind expression. Third eyelid is fully pigmented, as are eye rims. Whites of eyes are not apparent.

NOSE

Large and broad with well opened nostrils. Black and shiny. Set on as an extension of the muzzle, slightly protruding.

EARS

Set low and well back on skull. Rounded at the tip, with a slight inward fold. Leather should reach to the nose but not beyond.

Serious Faults: High set, short or corkscrew ears.

NECK

Long and slightly arched, approximately the same length as the head. Slight dewlap.

FOREQUARTERS

Shoulders strong and well muscled, with the shoulder blade sloping at a 45-degree

angle to permit free movement.

FORELEGS

Long, muscular and straight with elbows held close to the body. Distance from elbow to ground equals distance from top of withers to elbow. Pastern is short and slightly sloping.

BODY

Square in proportion, measured from breastbone to buttocks and withers to ground. Chest deep rather than wide, with oval shaped ribs. Withers high, back short, straight and not wide. Loin short and wide, especially in females. Croup slopes gently to set on of tail. Flanks are wide and only slightly hollowed with moderate tuck-up.

HINDQUARTERS

Well angulated to match forequarters.

HIND LEGS

Strongly muscled. Hock joint lean and well defined. Rear pastern short and strong.

FEET

Oval in shape with deep, hard pads and tightly knit toes. Both front and rear feet point straight ahead.

TAIL

Strong at the base, set on rather high and carried horizontally. If docked, it should be 6 to 8 inches in length. If natural, it should reach to the hock joint but not further.

COAT & SKIN

Coat is short and shiny, not too fine. Skin is fine and rather loose but without exaggeration.

COLOR

Black with white markings, either ticked or roaned. Head preferably black, with a white blaze, but white with ticking or roaning is acceptable.

HEIGHT

Males 22½ to 24½ inches at the withers
females 21 to 23 inches.

GAIT

An endurance trot, long-strided, but without exaggeration.

ELIMINATING FAULTS

(An Eliminating Fault is a Fault serious enough that it eliminates the dog from obtaining any awards in a conformation event.)

Teeth: overshot or undershot, missing any teeth other than the first premolars.

Eyes: entropion, ectropion, light yellow (hawk) eyes, wall eyes, unpigmented eyerims.

Nose: Dudley nose.

Color: Solid black or solid white.

Absence of ticking or roaning (clear white markings). Tawny or fawn shading or markings in coat.

Height: more than one inch over or under stated size.

DISQUALIFICATIONS

(A dog with a Disqualification must not be considered for placement in a conformation event, and must be reported to UKC.)

Unilateral or bilateral cryptorchid.
Viciousness or extreme shyness.
Albinism.

Fancy White Trash
Mike Clark - MW Region

Year Inducted 2005 Fancy White Trash, a 21 time NSTRA champion with a career total of 393 points. Owned by Mike and Penny Clark of Raymond, Nebraska, the award was accepted by Mike Rost, a Mid West region member. Much to our regret Mike and Penny were unable to attend. Fancy won the Trial of Champions in 1997, the Dog of the Year in 1998, the Midwest Regional in 2000, and the Grand National Championship in 2000. She also was 2nd runner-up at the 2002 Grand National Championship. She also placed in qualifying rounds of 9 championship trials.

Miss Freckles Rex
Gene Wilson - IN

Year Inducted 2005 Miss Freckles Rex, an English Pointer female, was grandfathered

in according to the Hall of Fame criteria. Freckles was owned by Gene Wilson from the Indiana Region. Gene's son, David, was on hand to present the award to his father. Freckles became a NSTRA champion in March of 1979 followed by her 2nd championship on March 21, 1981. She won the NSTRA Dog of the Year trial in 1977 and followed in the first runner-up berth at a later date.

Pete's Second Chance
C. L. Mitchell - OH Region

Year Inducted 2007 Pete was owned by C. L. Mitchell of the Ohio Region. Pete's sire was Hard Times Prenosil and his dam was Grievous Angel. Whelped on June 19, 1994, Pete's first placement came on April 27, 1996 with a win at the Iowa Gun Dog Association. His first championship came in September of 1997. This 17x champion has amassed 60 wins, 42 seconds, 45 thirds and 47 fourths for a total career point count of 314. Some of Pete's highlights include 1st place in the 1997 Kentucky region elimination, 4th place in the 1998 Kentucky region elimination, 4th place in the 1999 Dog of the Year finals, and several wins in national championship qualification trials. Pete also placed in the top 10 in Top Performance 4 years in a row with a 2nd in 1999, 3rd in 2000, 3rd in 2001 and 7th in 2002. During his heyday he averaged 4 championships per year. Pete has also proved he is an admirable sire. His progeny have attained 30 championships including 12xCH Tomoka's Smokin Pete and 6xCH Pete's Little Bear.

Tall Oaks Freebee
Becca Smith - MW Region

Year Inducted 2005 Tall Oaks Freebee, an English Setter Male owned by Becca Smith of the Mid West Region. Her father, Jim Smith, accepted the award. "BJ" was 10 years old, a 12 time NSTRA champion, with a total of 227 lifetime points. In 2001, BJ was 1st runner-up at the Grand National Championship; in 2002, he won the Trial of Champions and was the Mid West regional champion in 2003. He also qualified in qualification rounds of 9 NSTRA championships.

Sue Maggie Sue
John Resa - MW Region

Year Inducted 2008 John Resa of the Missouri Show-Me Region owned this year's Board of Directors' nominee, Sue Maggie Sue. Out of 14x champion and NSTRA Hall of Fame member Master Mohawk Mike and 3x champion Sue Billie Sue, she was whelped on February 21, 1992. With 110 lifetime points consisting of 17 firsts, 17 seconds, 21 thirds and 9 fourths, her career included winning the 1995 Dog of the Year trial, 4th place at the 1996 Trial of Champions, 5th place at the 1996 Dog of the year and 3rd place in the 1995 Top Performance competition. She has produced multiple regional (MSM & Illinois) and national champions (2002 & 2007 DOY, 2008 Grand National, 2005 Top Performance) and 59 NSTRA championships. After her passing on July 7, 2006, John said, "Maggie was a super nice bird hunting dog. She would give it her all day in and day out."
