Brandon Ralston with King

The first runner-up of the 2024 Quail Forever is Double R King from the Illinois Region. Even It was the first time that King ran on the Tokeena's fields, he was dominant. Indeed, during the qualifications, he took out a total of 22 birds, including 3 braces with 5 birds finds. King is an english pointer own by Brandon's dad, Herb Ralston. He's only 4 years old and he's showing great potential. He's from a 5th generation litter from Double R Kennel out of Double R Liz and Crosswind Jim. He only started his Nstra carrer in 2020. Since then, he has become a 7x Open CH and a 1X Amateur CH. He has now 131 points of which 81 are first place points. In 2023, he finished 6th at the Trial of Champions, won the Illinois Regional and was also the Region High Point Winner. In 2022, he won the Illinois Regional and got a 3rd in the 2021 Illinois regional. That's pretty impressive for a 4 years old dog.

Brandon said that King is the easiest dog that him and his dad have ever trained. He is a highly intelligent dog and very level headed. He got a huge nose with tons of style and we all agree with that from what we saw at this year Quail Forever. Hail to the King!

Brandon received a Quail Forever crystal trophy, a Purina Proplan jacket, a Montana Silversmith buckle, a Garmin Certificate, a Quail Forever engraved plate, a Dakota 283 kennel, dog supply from Sole Oak Supply, a Mud River bag, 6 bags of Purina ProPlan, a \$50 Dogs Unlimited gift certificate and a gift card from Onx maps.

*What a smile, Mikeal!

By the time she finished 3rd at this year QFI, she had earned 180 points of which 114 are first place points. Her daddy is Tomoka's Smokin Bomb and her mom's, Shouse Dogwood Abby. She won the 2023 Quail Forever Invitational, won the 2023 Top Performance, finished 2nd at the 2022 UKC Performance, 4th at the 2022 Quail Forever Invitational, won the High Point KY Region 2022, finished 2nd at the 2021 Top Performance, finished 2nd at the 2021 Quail Forever Invitational, won the 2021 Jim Harmon Memorial trial and the 2021 Jim Turner Memorial trial.

Dean Goodall with Fly

The 3th Runner-up is a cute little 7 years old, Brittany female own by Kristie and Dean Goodall, Goodall's Rusty Little Bullet. The Goodalls are from the Big Sky Region. Fly is a 7X Open CH and a 1X Amateur CH. Fly's sire is Footluce Louie Little Pants and dam is Goodall's First Bullet. She has a total of 142 points of which 88 are first place points. She won the BS Regional in 2023, finished 6th at the 2023 Top Performance, 7th at the 2022 UKC Performance and 2nd at the 2020 Endurance. She also finished 2nd at the Amateur National Championship 2020. By finishing 4th at this National, she qualifies for the Hall of Fame. Good job Fly.

WELCOME, NEW MEMBERS!!

1. Where did you hear about NSTRA/what was the appeal of NSTRA for you?
2. What breed of dog will you be trialing/what is your background with bird dogs?
3. Will your family be a part of the association/attending trials with you?
4. Anything else you would like to include?

MIKE LUKER, MICHIGAN REGION

1. I heard about NSTRA from Scott and Thadd Townsend at Crosswind Kennels in Dundee, Michigan.
2. I own German Shorthair Pointers
3. My daughter (currently 9) trains with me now and can't wait to start a dog of her own in the future.
4. I am 39 years old, I have been hunting grouse and woodcock with shorthairs in Michigan for 20 years. I was always interested in field trialing but didn't know where to start. Scott, Thadd and everyone in the Michigan region have been incredible. Their wealth of knowledge and willingness to share it with anyone is truly amazing. Obviously I am pretty lucky to have a mentor like Scott to learn from since he has had more than a little success in the game over the years. My pup is 16 months old now and I am hoping to have her in trials this summer.

FRANK BRANDAUER , SOUTHERN CALIFORNIA

1. I heard about NSTRA from a new friend that I met at a AKC Field Trial recently, very excited to try something new.
2. Finn is a five year old male Vizsla, while not my first Vizsla is is my first trained gun dog, trained entirely by me with my training from Finn's breeder. I am old school, trained without the use of an electric collar.
3. My son in law will like to participate but he lives in Montana, so we have some planning to do to make it happen. I live in Southern CA.
4. Finn just got is Master's AKC Title on Sunday in Northern California after 4 years of hard but very rewarding work, I am very proud of this accomplishment. I am retired and loving

PAUL MACQUEEN, SOUTHERN ONTARIO REGION

I've known about Nstra for years....

In Ontario the Chapter has struggled to grow. However the Quebec group are a real force.

I have a Female GSP 5 YRS she has a Utility NAVHDA class.

She likes new challenges and NSTRA IS CERTAINLY THAT .

I met Larry Lot at a Training wked at Lake Wales and the opportunity to work and run for Mandy seemed like a opportunity.....as I find it hard to keep her in you shape when in Fld for the winter.

It would be great to meet some of your members that would enjoy running in Braces at a hunting event preserve.

My Grand children love to help train Mandy s pups (she has 1 litter with a 2nd planned for late this year) I think it's important to teach them consistently as well as the puppies.

Seems the States has a strong NSTRA program so I wish I could have more opportunity in Ontario.

DEAN BOUSFIELD

1. On the GDIY podcast
2. Small Munsterlander- Robinguns Zaza
3. Yes, my wife will likely come along when we're able to get to some events
4. I've been hunting and have had dogs my entire life. Hunting with bird dogs is a new venture for me and I absolutely love it.

PAUL TEDMAN, MISSOURI-KANSAS REGION

1. A friend of mine who owns a hunting preserve recommended NSTRA to me.
2. have two GSP's.
3. I hope so. I have five grandsons and four granddaughters. I am hoping a few of them will tag along someday.
4. A I competed in my first event this past weekend. I met some great people. My dogs and I have a few things to work on this summer in order to be competitive next fall.

MIKE DOTSON

1. I think I first heard of NSTRA through The Pointing Dog Journal magazine. Wes Barr of the WTO region was a wealth of information which encouraged me to join.
2. We own a Brittany who is coming 3 years old. We call her Peach.
3. My wife will certainly attend any events we enter and has been a great partner in training our dog.
4. I am a recent retiree, and Peach is our first bird dog. We have spent many happy hours training and hunting her over the past few years, and look forward to being around more experienced dog folks to watch and learn.

CHARLES TURNER, JR.

1. I heard about NSTRA through a member in the Virginia region, Steve Wittington. He invited to one of the trials.
2. I have a German short-haired pointer that I will be running this fall hopefully. I also have a German wirehaired pointer.
3. Hopefully my kids and grandchildren will get involved.
4. Went to two trials this spring, one in March which Steve Wittington hosted and one in April which Roger Manus hosted, both in Bentonville, Va. Met people from North Carolina, Virginia and Maryland, everyone was super nice, asked a lot of questions, all of which were answered. Great group of people.

CARLOS DONATE, FLORIDA REGION

1. Was looking for a place where I can test my dog performance and training.

There has been some confusion with the Open/Novice trial format. Below are the changes adopted at the Trial of Champions Board of Directors meeting 4/23

OPEN/NOVICE TRIAL

18.01 All Open/Novice trials shall be run under National Shoot-To-Retrieve Field Trial Association all age rules. Championship points shall be awarded as follows:

Novice portion of the trial:

4 entries: One amateur point for first place

5 – 6 entries: Two amateur points for first place
One amateur point for second place

7 – 8 entries: Three amateur points for first place
Two amateur points for second place
One amateur point for third place

Open portion of the trial:

12 – 17 entries **total**: One point for first place

18 – 23 entries **total**: Two points for first place
One point for second place

24 – 32 entries **total**: Three points for first place
Two points for second place

18.04 An Open and Novice dog shall not be drawn against each other. All Open dogs will be braced together and all Novice dogs will be braced together. The draw will be done utilizing randomized braces. The Novice portion of the trial shall have a minimum of 4

dogs in order to award amateur placement points. In addition to earning amateur points, the Novice dog can also continue to earn open points—thus potentially earning both amateur and open points from a single brace. The combined total of Novice and Open dogs shall not exceed 16 braces, and it cannot be fewer than 6 braces. The entry fee shall be the same for both the Novice and Open dogs.

18.05 Twenty four (24) dogs (12 braces) is considered a full 3 point Open trial. Preference shall be given to entering eight (8) Novice dogs in order to award 3 amateur points. In the event of an uneven number of entries in the Novice Class, a standby dog may be used. If unavailable, a Novice entry may compete in the Open Class if he/she so chooses.

*The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1 in order to keep the number of national trials the same each year.

*The Regional Elimination trial results used in calculating Top Performance Awards is the regularly scheduled regional elimination championship in the qualifying year/season (only one regional

can count per year). Regionals scheduled or re-scheduled to be held after June 1 will apply to the previous year. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). The placement for the regional eliminations is determined by the score of the last round in which the dog ran. In addition, 100 points will be awarded to the Champion, 75 for the second-place dog, 50 for the third and 25 for fourth.

*The National Trials results are calculated as follows: A dog must place in the top 32 dogs to receive a qualifying score from that trial. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 – 775, 3 – 750, etc.). The placement for the national trial is determined by the score of the last round in which the dog ran. In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth.

NOMINATING COMMITTEE REQUEST

This summer, NSTRA members will play a pivotal role in electing three new National Officers who will lead and shape our organization over the next three years. The positions to be elected are President, First Vice-President, and Treasurer. The current description of each position can be found in the latest edition of the NSTRA rule book.

The 2024 Nominating Committee is actively seeking committed individuals who are enthusiastic about contributing to our organization, that for over 50 years has been a cornerstone for bird dog enthusiasts and their families across the US and Canada.

To nominate yourself or a fellow member, we request a brief biography via email. Include essential details such as your personal background, NSTRA experience, the desired office of interest, and, critically, a thoughtful analysis of the current challenges facing our organization along with a proposed plan to address them. Please ensure your biographies are submitted by April 15th to committee Chair, Jamie Laraway (jamie@truebluefarms.com). This timeline allows the Nominating Committee ample time for processing and conducting interviews with potential nominees. Your active involvement in this process is vital for the continued success and growth of our NSTRA family. We appreciate your dedication to our shared passion for our sport.

For any additional inquiries, please feel free to reach out to Jamie Laraway or any other member of the Nominating Committee. Thank you for your commitment and support.

PURINA WILLIAMSBURG TOWNSHIP UPDATE

The new Purina dry pet food facility in Clermont County has already taken shape – with much of the remaining construction project tasks focused on the building interiors.

Externally, the 1.5 million square foot property mostly resembles a finished product, but there's still work to be done. An extensive crew continues work on the site, which includes more than 1,000 skilled craftsmen and women who are contributing to the project.

To-date, the volume of materials used is staggering, including:

- 23,000 yards (or 2,875 truck loads) of concrete;
- Nearly 82,000 total feet of pipe (which equates to 15 total miles);
- 351,000 tons of stone (equivalent to 14,000 semi-truck loads);
- 3,700 geo piers installed;
- 13,800 tons of structural steel (which is just a little less than the combined structural steel in Cincinnati's tallest building – Great America Tower – and Paycor Stadium, home of the Bengals; total structural steel for those two projects is 14,900 tons)

Meanwhile, the local team is growing by the day. To-date, there are 42 local team members, and the team expects to conduct significant hiring waves in early 2024 as they inch closer to officially bringing the operation online.

The new dry pet food facility in Williamsburg Township is the first project Purina has constructed from the ground up since 1975, providing the opportunity to equip the facility with the best innovation and thinking to make the production and logistics process as streamlined and efficient as possible. There may be no greater representation of that than the automated warehousing system being constructed on-site. The space can store more than 76,000 finished product unit loads at any given time. There are also several digital and automation technologies being incorporated into the production process to protect the safety of our people and our product.

2024 Quail Forever National Invitational

Seneca, South Carolina

By Dominique Boucher, Trial Coordinator

Cleaning the Fields Under the Full Moon

Welcome to the 45th edition of the Quail Forever Invitational held in Seneca, South Carolina. For a 4th consecutive year, the competition was held on the magnificent fields of Mark Turner, home of the Tokeena Bird Dog Club. We are extremely grateful to the South Carolina Region for their hospitality. Faithful to themselves, the members of this region have been able to maintain the high standards of quality of the fields.

A huge thanks to Billy Moore, Crystal Moore, Paige Lee, Cheryl Lee, Myron Gregory, Doc Ramsey, Barker Stone, Jesse Stone, Mike Harris and Patrick Morehead for all their great work. As usual, Mr. Gene Frye was there to serve succulent meals for us, including his famous meatloaf that everyone loves. The competition would not be the same without your much appreciated contributions.

Before the national trial, the handlers had the opportunity to run their dogs in the Pre-trial in order to allow them to get accustomed to the scenting conditions as well as the fields themselves. This competition lasted 3 days and was followed by the national trial which started on Wednesday, February 21, 2024 and ended Saturday February 24.

This year, there were 21 regions represented in the QFI. The Kentucky region was once again well represented with 15 registered dogs, closely followed by the South Carolina region with 13 dogs. The Indiana and Ohio regions were also well represented with 10 dogs registered each. Once the draw was done, 28 dogs remained on the bye list. After many withdrawals from the trial, 20 dogs from the bye list were able to participate.

All handlers received a goodie bag, per registered dog which included, a Purina dog food bag, a cap with the QI logo from Purina, a stainless steel dog bowl, a dummy for puppies and a set of coasters donated by Moore ect.

2024 Quail Forever Invitational Crew

Let me introduce you the people who worked with me and made my job easier. This event could not have taken place without the involvement of these members. I would like to warmly thank them for the excellent work they have done and for the rigor they have shown during this competition.

The first day began with the tribute to the American flag and a prayer from Bo Nutt. As soon as it was over, everyone

Mychalie Moore Kentucky Region, Chairman

Thaddeus Townsend Michigan Region, Bird planter

Dianne Minton Alabama Region, Field Marshall

Lori Sprick Illinois Region, Field Marshall

Stan Perdue Georgia Region, Judge

Lamar Bodie Ray Georgia Region, Judge

Charles "Gene" Pritchett Georgia Region, Judge

Greg Cole Kentucky Region, Judge

was ready for the competition. Handlers were in the blinds at 07:30 while the bird planter was planting his first 6 birds. The first morning was cold, with frost being present on the ground. This made it difficult for the dogs to find birds during a good portion of the morning in both fields. Around noon, it was 46 degrees with a little wind and the birds were finally found with more ease.

The first day of the first round of qualifications ended around 6:00 pm and most participants took the opportunity to rest and gather in small groups for dinner.

Have a good night

On Thursday morning, the temperature was slightly warmer than the previous day. We started on time as everyone was deck as planned. Most of the scores were tight until the end of the day, as for Todd Hendrix and Bill Minton which had the same score and were ending to a run-off to determine 16th and 17th place. Luckily both made top 16th to everyone's delight.

Friday morning, the day started with some heavy fog. Fortunately, it dissipated just in time to start field B on time but field A had to wait since the fog was still too dense to assure everyone's safety. As everything cleared, it was a beautiful morning as shown in the pictures. The gallery was intensely watching and waiting for action.

During this round, only the top 12 dogs from each field advanced to the next one. This was the biggest cut so far in the competition. The top three placements of each fields were awarded points since it was a full trial.

During a national trial, Saturday is always the most important day of the competition. Indeed, dogs advancing in the competition must run in multiple rounds, making it an exhausting day for both dog and handler. The sun was out making it a beautiful day to compete. The cool temperature made it perfect for the dogs to run multiple braces. At 07:30 sharp, handlers were in the blinds, ready for action.

The top 24 dogs in the competition were going to fight it out to advance to Round 3. The day began with Heart and Pete in field A and Addie and Spec in field B.

Before the start of the 5th round, the handlers eat lunch and made it back to field B by 02:30 pm. Of all 3 braces, King once again stood out by finding 5 birds, putting him on top and qualifying him for the final hour. Scout as well stood out with 3 birds and 1 back putting him in second place and also qualifying him for the final hour.

This was the first time that Brandon Ralston found himself in the final hour of a National competition. Brandon was very proud of King and felted nervous and very excited to compete in the final hour.

Regarding Clay Little, this was his second final hour in a National trial. Having already won the Endurance Classic with Pippa, in 2020, Clay was ecstatic to be in the final and having the opportunity to win a National trial with Pippa's son, Scout.

Let's get some rest, Scout

We got this, buddy!

After an hour rest , the final hour began at 05:00 pm in B field. As soon as they took off, King found the first bird and Scout scored a back. After the shot, King quickly brought back the bird to Brandon and the two dogs left to find more birds. After 150 feet, Scout went on point followed by King who scored his back. No birds were produced and Clay led his dog off. Brandon hurried to field A and made his 2nd bird while Clay produced his 2nd bird in field B. A good crowd of people gathered to watch the final hour and were pleased to see a fierce fight until the end. Scout and Clay won the QFI competition with 5 birds found and retrieved plus a scored back. It was an incredible and special moment for Clay and his family. He had just won his second national with Pippa's son.

A Brittany Male our of Nolan's Last Bullet (NSTRA HOF) and Keith's Renegade Ginger Whelped on March 20, 1999. He had accumulated 271 points, 157 of which were first place points, to earn 15 NSTRA championships. His HOF point accumulation was as follows: 2001 - Dog of the Year - 1st Runner-Up 5 points 2002- Grand National - Winner 8 points 2003 - Dog of the Year - Winner 8 points 2005 - South Carolina Regional Elimination Winner 2 points 2006 - South Carolina Regional Elimination Winner 2 points 15 X NSTR Champion 3 points Total 28 points Proving that owning a champion caliber dog is no fluke, Brave continued on in his sire's footsteps. In fact, he gave Nolan his very first and only Dog of the Year win in 2003! His first championship was earned a mere 4 months from his starting trial. The next 4 championships came in 2001, with 2 more in 2002, and 3 in 2003. That's some pretty intense trialing for a young dog, confirming again that good breeding plays an important part of NSTRA trial wins and championships. Several of Brave's offspring have gone on to earn NSTRA championships. Generation after generation, these NSTRA Brittany's demonstrate their worth and justify the objectives of NSTRA's founders.

The American Brittany

The American Brittany Club is a member club of the American Kennel Club and the recognized breed sponsor by the American Field. The Club is comprised of many regional Brittany Clubs located from coast to coast. Most of the Clubs hold field trials, conformation shows and hunt test events. The magazine contains reports of field trials, shows, hunt test and agility/obedience events, club activities and articles on the care and training of the Brittany. The magazine also has articles on hunting and general interest as well as listings of kennels, stud dogs and trainers.

Diggin' Holes

by: Randy Schultz, Traveling Bird Hunter

If you have bird dogs, many or just one, eventually time will run out. It's a sad fact that from a tiny puppy to digging a hole in the pasture is a span of time measured in "not long enough". When they start hunting for you at a year old, until they are the senior dog asleep in the front seat awaiting the call 12 years later, they work their hearts out, and they deserve a good ending. "A good death" is the phrase. My Germanic ancestors call it "dying well".

We have a dog cemetery, here on the farm. I picked a copse of pines in the pasture and almost all our dogs are buried there. One died in Montana many years ago and is buried overlooking the Missouri River alongside an ancient Buffalo jump. Until recently, all the others are buried in the pasture. Recently, cremation became an option. I didn't even know that was a thing until I took a very sick dog to the Auburn University Vet School. The dog passed away (with us holding her). They offered cremation. A few weeks later, Pearl came back home in a small, wooden box. Since then, Ruby joined Pearl and it won't be long before Cap is there, as well. They are lined up on the walnut writing desk my father made back in the day.

A good death. I want that for all my dogs. I admit, 40 years ago I thought the way to end a dog's life was to take it to the vet, let them take it to the back, and take the body home

and bury it. I knew that was a tremendous stride forward from the way my father ended the matter.

But, I came to realize how hard they worked for me and how much I was their entire world. It seemed so cold and impersonal to end it on the stainless table in a place they fear. Now, they are in my lap in my truck (where they spent so much of their life). I hold their head, so they don't even see the administration of the drug cocktail. The last thing they see, hear, and smell is me. My wife is even more demanding. Her dogs are euthanized in our living room in her lap. Recently, her big Lab passed away on its own with my wife holding her head. I'd never seen that before. I wish they all went like that. I was dispatched to the cemetery to dig another hole.

A good death. Our bird dogs deserve it. It takes some courage to make sure it happens the right way. Years down the road, remembering the dog's life will always be accompanied by remembering its death. Make it a good one.

NORTHWEST REGION

Northwest Region - The German Shorthair Pointer Club of Idaho hosted a Double/Double Amateur/Open Combined Trial April 6th & 7th 2024 near Boise, Idaho. The trial grounds received record setting rain accompanied with snow several days prior to the trial, which made the grounds and parking very challenging with extremely muddy conditions. A special thank you to everyone that braved the elements for setting up on Friday, and helped support the event with ATVs. Luckily only one rig got stuck.

Participants from Montana, Utah, Oregon, Washington and of course Idaho attended, representing three regions. A special thanks to Judges; Paul Mc Cawley, Mike Ouchida, Laura McMahon, Jerry Youmans, Dave Dowers, George Clark, and Joel Cartwright, you are greatly appreciated. Karyn Wood was invaluable running the scorer's table, keeping everything updated. She and her husband Steve did an excellent job with the food helping keep everyone nourished and happy. As well as the numerous volunteers that made this event a roaring success. Many went the proverbial extra mile so a big THANK YOU!

The GSP Club of Idaho utilizes this event as a way to introduce new people to bird dog sports. Several new to NSTRAs people participated in the trial and all dog & handler teams showed improvement through the weekend. Less frequent competitors Shad Dayton's Pudelpointer Tali & Brian Crozier's GSP Curly received multiple placements and have caught the trialing bug.

Donaye Smith's Setter Fame had a good showing for the weekend and received three 2nd place finishes. His red setter Showtime placed as well. Good job Donaye, Fame & Showtime.

Ross Brown's Brittany Indie had a great weekend with three 1st place finishes, which helped complete her 2nd NSTRAs championship. Way to go Ross and Indie, CONGRATULATIONS!

Congrats to everyone that ran and special congrats to those who placed. Thanks to the GSP Club of Idaho, Friends and Trialers that helped make this a successful weekend of trialing.

Wayne Fishburn's Save a Life NSTRA AED Fund Raiser.

In response to the recent losses of Aaron Humphrey and Paul DaCosta, who suffered cardiac arrests during trials, Wayne Fishburn from the Indiana Region led an initiative to raise funds for the acquisition of Automated External Defibrillators (AEDs), ensuring that multiple regions will have access to these life-saving devices. Thanks to Wayne's efforts, Indiana, Ohio, Kentucky and the Arkansas/Louisiana regions now have AED's.

Please consider a donation to provide AED's for other regions.

In Memoriam Aaron Humphrey

A couple of summers ago I got a call from Dave Chandler asking me to meet a guy at GVCC that was interested in running NSTRA. I then met Aaron Humphrey at GVCC. We pretty much hit it off immediately and became friends quickly. Aaron had such a great personality and didn't meet a stranger. We worked dogs regularly and had many laughs giving each other grief about the breed of dogs we ran.

Aaron seemed to fill a gap in our region, he was always positive and in a good fun mood. He immediately became involved and was elected as our region secretary where he took over our social media and high point standings. He was always willing to help get birds, cook at trials and help in any way. He became friends with most everyone in our region and also did the same in the Kentucky region. My twin grandbabies thought the world of Aaron.

Aaron's passing inspired many to donate to a GO fund me to purchase many AED machines for several regions led by Wayne Fishburn.

Aaron was a motivator on and off the field and was passionate about his Tomoka setters.

We all loved Aaron and miss him dearly. Those who knew him were truly blessed to know him! God made one fine man in Aaron Humphrey and he will be missed by many and forgotten by none of us. RIP my amigo.

Jim Thomas

In Memoriam Thomas Melvin Burks

Thomas Melvin Burks, 90, of Avon, passed away unexpectedly on March 29, 2024 in Okeechobee, Florida. He was born on August 26, 1933 in New Albany, Indiana, to the late Carrie (Hedgepeth) and Wash Burks. He was a U. S. Navy veteran. Tom married Eleanor Louise Adamson on December 24, 1958 in Miller, Missouri. Soon after starting their marriage and settling into Kansas City, Tom was transferred by the Federal Aviation Administration to the Indianapolis Air Traffic Control Center, making Avon, IN their home. Tom completed lots of training in Oklahoma City and held many leadership positions as a facilities engineer before retiring in 1990 as the Facilities Center

Manager.

Tom was a long-time member of Plainfield Baptist Church before transferring his membership to Plainfield Christian Church. He also attended First Baptist Church of Okeechobee for the past 30 plus years while he and Eleanor wintered at their home in Florida. His faith was a foundation to how he lived.

Tom was an avid outdoorsman, and he had a knack for excelling at most anything he attempted. Tom was president of the Conservation Bird Dog Club in Amo and instrumental in founding the National Shoot to Retrieve Association. He raised English pointers and won

the national Dog of the Year and Champion of Champions Trials. As a skilled angler, Tom was past president of the Central Indiana B.A.S.S. Federation, and successfully fished for several years in the FLW tournament series. He spent many days on the lake with friends catching the "big one". He also had a passion for golf, even hitting a "hole in one" at Deer Creek golf course in 2006.

Whatever his accomplishments, Tom accumulated a bountiful collection of friends along the way. Many have enjoyed the fellowship at one of his backyard fish fry dinners. He never turned down an opportunity to share a joke, his wisdom and an extra tomato from the garden. If he met you as a stranger, you would leave as a friend.

He leaves behind a beautiful legacy of family. He so loved his wife and was proud of his girls. Survivors include his wife of 65 years, Eleanor Burks of Avon; daughters, Lisa (John) Ramey, Lori (Chris) Harding, both of Avon, Lynn (Steve) Halfaker of Danville; 6 grandchildren, Adam

Ramey, Lauren (Tony) Stevenson, Chad (Arika) Harding, Caselyn (Trevor) Schmidt, Scott Halfaker, Ellen Halfaker; 4 great grandchildren

and one on the way. His parents and siblings, Juanita, Glenn, William and Dewey Burks, preceded him in death.

Funeral services were held at 1:00 pm on Saturday, April 06, 2024 in Plainfield Christian Church with entombment at Maple Hill Cemetery Mausoleum, Plainfield. Memorial contributions may be made to Sheltering Wings or Sycamore Services. Hall-Baker Funeral Home, Plainfield, is handling the arrangements. Online condolences may be made at www.bakerfuneralservice.com

In Memoriam Donnie Stir

In 2023, we were heartbroken to say goodbye to a treasured friend and foundational member of the Ohio Region, Donnie Stir, 71 who passed away in August from prostate cancer. Donnie was born in Columbus, Ohio and attended Muskingum College where he played football all four years and earned a degree in Education. He retired after 30 years as a teacher with Teays Valley Schools in Pickaway County, Ohio. Along with teaching, Donnie was a lifelong farmer.

Donnie enjoyed his family, friends, hunting, and his beloved setters. He joined NSTRA in 1995 and started judging soon after. Donnie judged 100s of trials including at the National level. He also held various officer positions with the Ohio Region and Three Rivers Bird Dog Club. He was valued as a judge, fair but didn't hesitate to tell you what you did wrong.

Donnie's first NSTRA setter was Spuds Tekoa Joe, a 6X Champion. Donnie won the Ohio Region twice, back to back with two different dogs. One of his most successful setters and one he enjoyed, was Jake's Woody Mountain. Woody was Region champion and finished 2nd RU in the 2009 Trial of Champions.

Donnie loved to wild bird hunt and he frequently took trips out west. His final trip was to Kansas in December 2022 with his long-time friend Rod Howard.

Donnie set an example for all that knew him, he was humble, a fierce competitor, but a gracious loser. He exemplified what it meant to serve an organization and to help others. We will always remember his great sense of humor and his wonderful smile.

He leaves behind his beloved wife of 45 years, Nancy Stir; daughter, Allison (DJ) Walters and granddaughter, Olivia. Donnie was so proud of Olivia and never missed an opportunity to share a picture or story of her.

We will be honoring Donnie's memory with a fundraiser in September... Prostate Cancer Awareness Month, to remind men to receive an annual prostate cancer screening, which he did faithfully.

In Memoriam Paul Da Costa

The National Shoot to Retrieve community recently lost a truly remarkable man, Paul Da Costa, 47 of London, Ontario. Tragically, Paul passed away on May 20, 2023 in Marysville, Ohio. Paul was doing what he loved that day, spending time with dear friends and running his dog, Bob. Please consider a donation or purchase tickets. All proceeds go to the Da Costa Family.

Winner will be drawn on 7/15 at Mahoney Farms Paul DaCosta fundraiser trial during lunch on "Facebook Live". We will make arrangements to get your prize to you if you can't attend.
