# Letter from the President

Good morning and happy snow days. I think the monster snow hit most of us and this is a good time to sleep a little later and make sure your dogs are warm and comfortable.

There's a new girl in town. Caitlyn Theriac has joined our organization in the office. Caitlyn's husband is Jonathan and she has 3 children – 2 in college and 1 in high school. Caitlyn lives in Mooresville and Lisa says she is catching on very quickly. So, please introduce yourself when you call and give her all the help you can in explaining your call. Caitlyn has been calling trial chairmen 3-4 weeks in advance about getting fees paid into the office for trials scheduled; so don't forget this is very important in getting your trial packets to you in a timely manner. We are very happy to have Caitlyn aboard and welcome her to NSTRA.

The Championship Trial being held in South Carolina in February has been renamed to Garmin Invitational Championship Trial. The trial will be held in Florida in 2026. Good luck to all those running in this year's trial in South Carolina.

**ATTENTION:** To all Region Presidents. Please remember to reach out to your new members. Each new member is sent a series of questions about themselves and their dogs every month. And each month several will go to the trouble to introduce themselves and send it to the magazine for publication. If you would like a list of the new members each month, please call the office or Marilyn Cunningham – 618-980-1727. I'm sure each of these people would appreciate a call from their Region President.

Remember: Regional/Endurance Trial Format has passed.

Regional/Endurance Trial Format – Advancement Type – Beat your bracemate, Minimum 64 dogs

Qualification Rounds Open/Amateur Combined Format

Each region is to decide if, when and where to hold a Regional Endurance Trial. Regions limited to ONE Regional Endurance Trial annually.

Final points do not qualify for National High Point.

The nominating committee for the National Officers election this year will be printed in the next magazine. The offices of 2nd Vice President and Secretary will be filled during the next election in October. So, keep in mind 2 people that you feel would be good for these offices to turn in to the nominating committee.

Scott Lowbend

National President

# NSTRA MEMBERS - Important things to remember!

## Reminders – check back often!

National trials are the responsibility of the National Officers with input from the Board of Directors and the local co-chairs of national trials. Criteria for entry, which may be subject to change, for the original 5 National Trials is available in the reference section of the Rule Book beginning on page 41, Section 11. If a particular national trial is subject to changes in the entry criteria, there will be notice provided on the official entry form, in the magazine, on the national website, and/or by email if available.

To enter a national trial, you may submit a hard copy official entry form and payment, OR you may scan and email an official entry form with payment information, OR you may send by facsimile and official entry form with payment information, OR you may enter and pay on-line on the website. NO EXCEPTIONS.

Please note that additional new national trials may be added from time to time and do not yet appear in the current Rule Book. Please contact your National Officer Representative or the National Office staff for additional information regarding such trials. The current list of National Trials is as follows:

**Garmin Invitational Championship Trial** formerly known as Quail Forever. This is a revolving trial generally held in February.

**TRIAL OF CHAMPIONS.** This trial is held in Amo, Indiana, in April.

**NATIONAL AMATEUR TRIAL OF CHAMPIONS.** This trial is held in Amo, Indiana, in April.

**UKC PERFORMANCE TRIAL.** This trial is a revolving trial generally held in June.

**PURINA ENDURANCE CLASSIC.** This is revolving trial generally held in September:

**DOG OF THE YEAR.** This trial is held in Amo, Indiana, in October.

**TOP PERFORMANCE AWARD:**  
To be eligible:

\*Dogs must have at least 20 open points accumulated in weekend trials between June 1 through May 31 of the applicable year. Once a dog is eligible, a schedule of scoring is applied based on the results at regional elimination trials and National Trials

\*The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1 in order to keep the number of national trials the same each year.

\*The Regional Elimination trial results used in calculating Top Performance Awards is the regularly scheduled regional elimination championship in the qualifying year/season (only one regional

can count per year). Regionals scheduled or re-scheduled to be held after June 1 will apply to the previous year. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). The placement for the regional eliminations is determined by the score of the last round in which the dog ran. In addition, 100 points will be awarded to the Champion, 75 for the second-place dog, 50 for the third and 25 for fourth.

\*The National Trials results are calculated as follows: A dog must place in the top 32 dogs to receive a qualifying score from that trial. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 - 775, 3 – 750, etc.). The placement for the national trial is determined by the score of the last round in which the dog ran. In addition, 100 bonus points will be awarded to the Champion, 75 for **second place**, 50 for third and 25 for fourth.

## HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted in a rolling calendar throughout the year. Send these nominations to the nation office, or to a national officer no later than March 31 of the year in which a dog is to be considered. Nominations of dogs to the NSTRA Hall of Fame are NOT “carried over” to following years. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted in order to be considered for election. The National Officers, in concert with the Board of Directors, make selections to the Hall of Fame each April.

## TRIAL SCHEDULES:

Fall/winter trial schedules are due in the office by May 1. Spring/summer trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

## SANCTION FEES:

Trial sanction fees are required BEFORE a trial packet is mailed and before a trial may be “approved” in the system. Please pay all sanction fees at least 4 weeks prior to your trial date to ensure prompt mailing of the packet and to ensure that the trial may be drawn in a timely manner.

## TRIAL REPORTS:

Trial reports and results should be entered into the trial draw system as soon as possible after a trial and no later than 10 days after the trial date. Overall results will not be approved until the reporting is complete. First place points and championships will not be confirmed or awarded until the reporting is complete. (This includes receipt of all registration paperwork for placing dogs.)

## HOME REGION:

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1 and January 1.

\*Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at any time to request a change in their Home Region.

## ASSOCIATE MEMBERSHIPS:

Associate memberships are available to members' spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. Associate members have the same rights as regular members with respect to participating in field trials (e.g., owning dogs, handling dogs, judging, bird planting, etc.). Associate member may not vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

## RULE CHANGES:

Proposed rule changes or new additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

## CONSTITUTION/BY-LAW CHANGES:

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

(continued on next page)

## REGION HIGH POINT:

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

## OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of new registration papers with the new owners' names to the office. The date of transfer will be the date shown on the registration papers.

## UNREGISTERED DOGS:

As of June 1, 2022 a dog cannot run in a NSTRA trial without a system-generated dog profile or record. A trial coordinator cannot create the record. National staff or officers can only create the record once registration papers are received in the NSTRA office. In addition, there remain many "unapproved" dogs in the system. Unapproved dogs shall not be entered to run in trials until proper paperwork is received and appropriate action to create the record is completed. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org), or a photocopy by regular mail.

## NSTRA DISTINGUISHED MEMBERS:

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the Year banquet. Nominations may be submitted at any time to the staff at the national office, to a National Officer, or to the current chair of the Distinguished Members Committee. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included, if

available. Contact the NSTRA office for a list of criteria. The committee will review all Nominations and verify contributions.

Decisions will be made not only by the information submitted but by any other information collected. The committee will make their decision by the April Board of Directors' meeting. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

- **Sportsmen respect the history, traditions and integrity of hunting with our dogs.**
- **Sportsmen commit themselves to values of fair play, honesty, courtesy and vigorous competition, as well as winning and losing with grace.**
- **Sportsmen refuse to compromise their commitment and obligation to the sport**
- **Sportsmen respect the rules and regulations provided by NSTRA.**
- **Sportsmen find that vigorous competition and civility are imperative for the sport.**

## Team Mid North - Jean Steiner

Jean Steiner began her involvement with NSTRA in the late 1990s, alongside her husband, Ron. They took on leadership roles as President and officers of the Mid-North region. Jean started her judging career in 2003 and has since judged 91 trials. This figure does not include her numerous field marshaling responsibilities in the Mid-North region, which she has performed many times over the years. Altogether, Jean has participated in more than 220 trials in various capacities since joining NSTRA.

Jean's love for dogs and the friends she has made, has helped her stay involved with NSTRA. Even after the passing of her husband, Ron in July of 2007.

Jean significantly contributes to the Mid-North Regional Weekend Trials. She arrives each weekend with a cargo trailer that serves as the headquarters for scoring and field marshaling. The trailer is stocked with coffee, water, and snacks, and is equipped with a generator, stopwatches, pencils, calculators, markers, and all the essentials needed by a trial chair in case anything is overlooked. Jean also typically brings her 4-wheeler, which is utilized in various ways during the trials.

Additionally, Jean played a key role in rewriting our bylaws and guidelines, collaborating closely with the Secretary and the committee involved in the process. She possesses extensive knowledge of NSTRA judging and all related trial rules.

Beyond her contributions, Jean is a joy to be around. She is always willing to lend a hand and puts in hard work on every project she undertakes, dedicated to the good of the organization. Most importantly, Jean is a friend to everyone she meets. The Mid-North region is incredibly fortunate to have her as a dedicated member.

# Chukar

by: Randy Schultz

"So, down this hill is a bench. Along that bench, there is usually a covey of Chukar. Once we get down there, we can walk along the bench and let the dogs find the birds. Easy, peasy!"

The day was sunny and cool. A perfect day for bird hunting in Wyoming. My friend, a resident of the Cowboy State and bird hunter, was driving me around in his 6X6 and pointing out places he found birds in the past. In the past few days, we found numerous Hungarian Partridge coveys and even a large grumbling of Sage Grouse. It was a bird hunter's dream that year. Chukar were one gamebird that I had very little contact with- the lone exception being a covey in Idaho one year. I was eager to get another shot at them.

Chukar are a non-native partridge introduced to this country back in 1893. Originally, the birds were imported from Pakistan. The initial introduction had poor success, and in 1931 through 1970 they were re-introduced throughout the West. Interestingly, I read that one way they were distributed was by train. This time the program was a resounding success and California, Idaho, Nevada, Washington, Arizona, Colorado, Montana, Oregon, Utah, Wyoming, and the 6 major Hawaiian islands have populations. In Wyoming in particular, Chukar from India and Turkey were grown at the state game farm and released though 1977. The population is now stable enough for successful hunting seasons. The main contributor to a population decline year-over-year is the weather. One hard winter can knock back the overall population severely.

That day, my friend and I set off down the slope to the mythical "bench". Walking was easy as we dodged the Sage brush and kept an eye out for the dogs. JD, my 2-year-old, was a bold and eager female Brittany. My friend had his 2-year-old female Setter on the ground. They worked well together, meaning they were all business and didn't follow each other around.

The hill steepened as we descended and little fingers, or draws, took form on either side of us. Both dogs became really interested in a flattish area (the bench) about 40 yards in front. Suddenly, 15 Chukar blew out in all directions, but mainly downhill across a draw and up a steep hillside. I took my time and dropped one as it crossed right to left. It hit the ground hard across a small draw. I marked the downed bird, and took a bead on another bird that got up behind me. I was twisted around and out of position as I pulled the trigger, and the bird flew on- for two more seconds until my friend's 16 ga. connected and he dropped. I called my dog in for the retrieve as a few more birds got up around us. I watched as my friend shot a bird that was going directly away from him. The bird folded and dropped, and dropped, and finally hit the opposing hillside with a deep ditch between. I couldn't see it on the ground, but he marked it and set out to retrieve it. At this point, my friend had one in the bag and one on the ground across the deep ditch on the opposing hillside. I had one on the ground, and I called JD in for the retrieve. I walked to where I saw it hit the ground, saw feathers, and called JD in to the spot. "Dead bird, girl!" I said. She started searching the area. We couldn't find that bird. We spent a fair amount of time there. Finally, we moved on, as I mentally marked the spot to come back later. Just then, another bird got up out of the Sage and flew directly away from me. My 28 ga. caught him at 20 yards, and he dropped like a stone on the hillside we were on. JD saw the fall and passed me to get the retrieve. Once again, I got to the spot, saw feathers but no bird. In addition, I had no dog either. Darn it! I whistled for JD and called her

to come in and find that dead bird. I really did not want to lose this one. As I waited, I looked across the deep draw for my friend as he went to retrieve his second bird. I laughed because he was on his butt, sliding slowly down the steep hillside into the bottom. I knew there was a story in the making there.

My attention turned to my own downed bird and non-existent bird dog. I was getting a little miffed. Bird dogs should make the retrieve. I looked under every bush. I heard movement from my right and downhill toward the draw. A second later, JD walked up out of the draw with a Chukar in her mouth. She handed it to me. Hey, boss, here's your bird. Chagrined at my own impatience, I reached down to love on her and gave her some water. She did exactly what she was trained to do. Good girl.

I couldn't see my buddy down in the deep draw, but I kept him in mind as I moved across the bench with JD out front. She locked up across a smaller ditch and I moved with intention to get to her. Before I could reach her, a small covey flushed about 40 yards in front of her. They walked out from under her nose before they flushed.

Meanwhile, my friend showed up with his second bird in the bag. We backtracked to re-visit the site of my first downed bird, the one I couldn't find. We still had no luck. It was time to head back up the substantial hill to the mule. It would have been so easy to keep following those red-legged devils. But every step downhill meant another step uphill to get home. I turned and started the slog back to the top.

After watering ourselves and the dogs, and re-living the shooting and retrieving and general buffoonery, we commenced the serious climb back up. Two steps into the ordeal, a Chukar flushed at my feet and flew to the right. The 28 ga. came up and barked twice. The Chukar laughed as he made his escape down the mountain and up the other side. I may have muttered an adult phrase as both hunters and both bird dogs watched the bird fly away unmolested.

Heavy breathing and frequent breaks marked the climb out. After climbing most of the way, JD swung past me and locked up across a small ditch in the grass. Immediately, I thought, "My wounded bird", and I started to her. A covey of Hungarian Partridge blew up in front of me as I lifted the double-gun to my shoulder. This time, I dropped two birds and JD retrieved both to hand. We watered together and continued the uphill ordeal back to the road.

Finally, we reached the two-track and our ride. We relived the event, laughing at the slide down the mountain for the retrieve in the ditch, the total whiff of the bird that got up at my feet, the excellent retrieve by JD, and the bonus covey of Huns halfway back up the mountain. That seat in the UTV never felt so good.

Chukar hunting is a young man's game. I think those dedicated to chasing the bird must be as tough as they are. I have great respect for them. They say you hunt Chukar the first time for fun- the second time for revenge. I believe that.

**How did we get there?** The Dog of the Year trial is the ending to the NSTRA regionals. It is the only national trial that starts with 192 dogs & whittles it down to a final 6 just like the regional trials. In each round, advancement gets harder. Round 1 – top 16, Round 2 – top 12, Round 3 – top 6, Round 4 – top 2, Round 5 – top 2 go to the final hour.

Indiana had the most dogs entered at 25, followed by Kentucky with 21, and Illinois with 17. Twenty-five of NSTRA's regions were represented at the trial. There were 64 German Shorthair Pointers, 60 English Setters, 29 Brittany's, 28 English Pointers, 6 German Wirehairs, 3 Llewellyn Setters, and 2 Vizslas.

You can't go to Amo without talking about the weather – this year, it was perfect. On Wednesday, it started at 48 with a high of 72. A light cold front came in Wednesday night & on Thursday, it was 38 but reached 66 by the end of the day. On Friday, we had a little rain around 6:30 am, but we did not have to trial in the rain. A Blessing! Great weather continued on Saturday.

On Wednesday, the trial officials gathered at 7:00 am to get assignments and discuss DOY rules.

**How did you get started in NSTRA?**

Richie Hight recruited me to NSTRA in 2016. I was having a blast running pointers and flushers in National Bird Dog Circuit (speed trial) and wild bird hunting in Nevada and California. Richie thought I would like NSTRA because you get to be in the field with your dog long enough to see and appreciate the dog work, more like wild bird hunting. He was right, I was drawn right in to the dog work and the competition! What was the name of your first dog?

The name of my first dog was Schatize, a Belgian Sheepdog, that I competed with in several AKC tracking and herding events. I trained her to work with me in the field as a wildlife detection dog while I was a wildlife biologist, teaching me about scent and how a dogs nose detects it in different wind/weather conditions. Then, along came my first bird dog(s) Lou (English Pointer) and Diamond (Labrador Retriever), who were gifted to me at the same time and opened the door for me to compete in bird dog sports.

**Did you raise Rip from a puppy?**

I raised Rip from a puppy and got him from Scott Townsend when he was 8 weeks old. I had him picked from videos Scott texted me weekly from across the country. Schatzie had just passed away and Rip quickly captured my heart and stepped up to be my number 1 dog.

**Did you train Rip yourself?**

Thadd Townsend trained Rip for me. Rip is impressive on all his work, but especially his retrieve. He brings the bird back as quickly and directly as he runs to retrieve it and it's scary because it looks like he is going to run me over with the bird. After getting Rip back from Thadd and trialing him for a season, Herb and Brandon Ralston have been his primary trainers (while they are teaching me too) taking him to the level to compete at national events with the foundation Thadd started.

**How did you prepare for the DOY Championship?**

To prepare for the DOY Championship, Rip was trained on birds 2-3 days per week to maintain his high-scoring bird work and exercised off the 4-wheeler for up to one hour every other day to build his endurance. Consistency is the key to success!

**Which of the braces during the DOY week was the toughest?**

The toughest brace for Rip was Round 2 against Tasso. There were extra birds in the field and both dogs achieved a 4-bird run resulting in a competitive brace that came down to skillful handling and scores to advance Rip to Round 3.

**When did you actually think you had a chance at the winning the championship?**

In Round 4, Rip had a 4-bird run. Then, in Round 5, he had a quick 5-bird run. After Round 5, it was clear Rip's momentum was still building and he was getting stronger with each brace. That's when we knew we had a chance at qualifying for the final hour and winning the championship.

**Who has helped/influenced you the most in NSTRA?**

Success results from cooperation and I am fortunate because I have had many people help and influence me in NSTRA! Being raised as a competitive athlete, I learned to never give up no matter how tough it gets. While there are too many people to name individually, I have had the most help/influence from the Illinois Region, Michigan Region, Northern California-Nevada Region, and Northwest Region folks. Thank you, I am grateful every day and I would not be competing at this level without

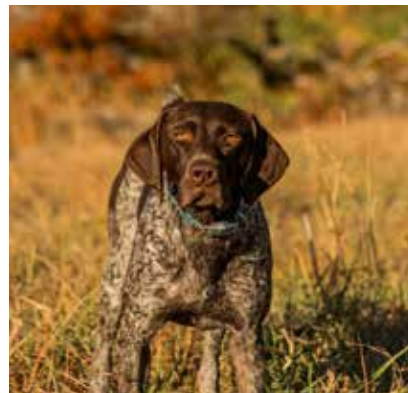

your help and encouragement!

**What would you tell someone the best way to prepare for a championship trial?**

The best way to prepare for a championship trial is to have the dog conditioned and trained to score high on all work. In nationals, every point counts. Like any serious athlete, taking good care of the dogs' health with proper nutrition and hydration is mandatory for the dog recover and be strong for the next round.

**If you can think of any other questions you would like to answer, please feel free to add to the mix.**

Running the final hour at a national trial is both thrilling and terrifying at the same time. Rip had his first bird contact seconds off the start line in the final hour with a bird that wild flushed. His second bird also wild flushed before Rip could get it pointed. Feeling helpless 3 minutes into the brace (one mistake can cost you the victory), Brandon didn't give up having confidence in Rip. After that, Rip went bird to bird with good work for the rest of the hour. Brandon has handled dogs to several top 6's and final 4's at national trials, but never achieved a championship. After watching him place 4th with Rip last year at DOY, it was thrilling to see him win his first national championship with a GSP at the same trial where his dad and life-long mentor, Herb Ralston, won with his first national championship with Bailey's Elhew Kate in 1996. I am equally proud of both Brandon and Rip and excited to see where they go from here, they make an incredible team together!

## WELCOME, NEW MEMBERS!!

1. Where did you hear about NSTRA/what was the appeal of NSTRA for you?
2. What breed of dog will you be trialing/what is your background with bird dogs?
3. Will your family be a part of the association/attending trials with you?
4. Anything else you would like to include?

### ANDREW MARIS

1. Through a friend Dave Heine
2. German Shorthair Pointer
3. Yes, we helped host the first trial in Hot Springs, Montana. We are hosting another one in March 2025.
4. We donated a puppy to the Kalispell youth pheasants forever program. We raise quail and are working on allowing hunts on our property and other properties in the Hot Springs Valley. We enjoy giving back to the community and the youth. We support the local 4H and have sold hay and calves to the 4H youth. We raise hay and supply local dairies, goats, horses, and cattle. We also raise Angus and Akaushi beef that we sell retail at our online store. [WWW.3mphranch.com](http://WWW.3mphranch.com).

### STACY BINES

*Sammy and Maggie*

1. I had heard about NSTRA while listening to various podcast about pointing dogs, but was really introduced to NSTRA by a few birddog enthusiast in my area that belong to the VA Region; Raymond Forney, Fred Giesecker and John McGown. They had invited me to train with them and shared their passion for NSTRA and it has been an enjoyable venture training and preparing for my first event.
2. I own two GSP's. My first bird dog, Mason-Dixon Mirabel Maggie, is a 3yo female and SVB Sassafras Sammy is a 7 month old puppy I purchased earlier this year.
3. My wife, Valerie, will be attending NSTRA events with me, but has no plans to handle dogs in the trials at this point.
4. Enjoy playing Music and perform regularly.  
An avid waterfowl hunter and enjoy spending time in the blind with family and friends on the Eastern Shore of Maryland. Have owned and competed with beagles, in AKC and UKC hunts/trials.

## DAVID BOYCE

1. I learned about NSTRA from my trainer in Minnesota, Jordan Pharis. He suggested it as a great way to keep your dog active and sharp during the off-season.
2. I have a Brittany.
3. Yes! My wife came with me to our first trial, and she absolutely loved it.
4. I didn't know what to expect when we attended our first trial, but the NSTRA Florida community welcomed us with open arms. Everyone was kind, helpful, and eager to share their knowledge. We made wonderful new friends and learned so much. It was an amazing experience, and I'm so glad we decided to "pull the trigger" and join NSTRA.

## TOM HOLLOWAY

1. Friends at NAVHDA suggested I might enjoy it! Looking forward to the first trial we can get to participate in! :)
2. Brittany's
3. Just me, hoping to get adult son involved some day.

## DYLAN JONES

1. We heard about NSTRA through my cousin Sarah Gomes
2. We own an English Pointer
3. One day I hope to have my wife shooting beside our dog as well. This will actually happen in the near future as she is currently obtaining her Gun license and already has a hunting license
4. We have been working our Dog Diesel in the field under a gun since he was 4 months old pointing and retrieving upland game birds. He is currently 14 months old, and loves Hunting, and working hard for Birds

## JIM MAXWELL

1. I was introduced to the group by my neighbor, Ryan Miller, after getting one of his German Shorthair Pointer puppies last December.
2. German Shorthair Pointer
4. I have always been an avid outdoorsman and lost my chocolate lab to cancer about 18 months beforehand. Feeling the need to get another hunting companion, Ryan's female was due to have puppies and I decided last December was the perfect time (why not, I have 4 young kids and own a large animal veterinary practice so I have tons of free time haha). Ryan and I actually co-own "Hokie" which allows for the perfect mix of allowing Ryan to field trial on the weekends and me to have the pup throughout the week and hunt him on the weekends he is not competing. We are looking forward to this new chapter in our hunting/dog ownership experience and are excited to see all the group has to offer. Thanks for reaching out!

## MICHAEL L. ADKINS

1. My wife and I train at Scott Townsends.
2. WE have Wirehair Pointing Griffons that my wife trains and breeds
3. WE hope our grandson will take interest and come to the events..
4. Having been involved with AKC and NAVDA your event was well run and very friendly with everyone wanting to help the new person out.

## Tri-Region Challenge

On November 16 & 17, a tri-region challenge was held between Gulf Coast Texas, Lone Star Texas, and West Texas / Oklahoma. The trial was held at Nathan Tekell's grounds in Winters, TX. Each region supplied 10 dogs and the NSTRA draw tool was updated so a region did not run against their own region. On Saturday, the weather was dry but windy. On Sunday, rain came in the afternoon making conditions slippery and a little cold. Bobby Clark and Wes Barr shared trial chairman responsibilities. Debi Heaton was the field marshal and John Parsley (GCT), Paul Klingaman (WTO) Rickey Rogers (LST) and Jim Selby (LST) were the judges. The bird planter was Bo Marcum.

A thank you goes out to Bobby Clark and Wes Barr for coordinating the trial as well as Nathan Tekell for setting up the trial grounds. On Friday night, Ken Copeland and Bobby Clark fried up some crappie which was served with all the fixings. Saturday night, there was a catered steak dinner.

An additional thank you to Greg Blair, NSTRA's Purina representative, who supplied the participants with Purina memorabilia and ProPlan dog food. Thank you!

At the end of day 1 of the challenge, West Texas/Oklahoma had amassed 12,681.5 points leading Gulf Coast by 1,875 points and Lone Star by 1,975.5.

Saturday's A field placements were:

3rd Place – John George & Bell

**1st Place – Dale Roberts & Shiloh**

**1st Place – Ken Copeland & Cash**

**2nd Place – Maggie Parsley & Big'un**

**3rd Place – Tom Paullus & Sunny**

**Sunday's B field placements were:**

**At the end of the trial, West Texas/Oklahoma came out on top with 24,032.5 points to Gulf Coast's 21,980.6 points to Lone Star's 20,752.3 points. Congrats West Texas/Oklahoma!**

**The high point dog was calculated based on rank on each field over the two days. The 1st place dog would get a rank of 30 & the last place dog would be ranked a 1. The eliminated the risk of a blow out run. The top 3 dogs over the weekend & their scores and rank within each field:**

# The Encourager

## A Life Well Lived

### The Encourager, A Celebration Of A Life Well Lived

Timothy D. Fisher, 83, of Plainfield, passed away on September 28, 2024. He was born on April 5, 1941 in Indianapolis to the late LeRoy and June (Price) Fisher. Tim owned Freedom Press Print Shop in Plainfield from 1976 to 2008. He was involved with many civic and social organizations including Plainfield Plus, Chamber of Commerce, Rotary Club, Downtown Merchants Association, Hendricks County Habitat for Humanity, Sycamore Services, Danville Conservation Club, Ducks Unlimited, National Shoot to Retrieve Association, and sponsored the Dynasty Co-Ed softball team in the 80's. Tim was an avid outdoors man. He loved to fish and would wet a line whenever he could. He enjoyed deer, turkey and bird hunting. Tim was a member of the Plainfield Christian Church and helped start the outdoor outreach ministry. His beloved bird dogs were a huge part of his life after retirement. Tim was a field trial judge at the Amo Bird Dog Club for NSTRA where he loved spending time with the many friends he had there. Tim and Jan, his angel on earth for 56 years loved to travel to any beach to be in the sun with their feet in the sand!

They loved their family and were always in the stands and on the sidelines cheering on their kids and grandkids at all their events. Tim lived his faith and often shared his testimony with others. He was preceded in death by his wife, the love of his life, Janice Fisher. Survivors include his children, Brian (Cindy) Fisher, Jill (Stacy) Fulk, Paula (J.B.) Landis and Rhonda (Art) Schlangen; brother, Tom Fisher; grandchildren, Joel (Rain) Fisher, Luke Fisher, Dr. Olivia Fisher, Carter Fulk and Chloe Fulk; great grandchildren Bella and Kenzie.

On October 1, 1987 Tim joined NSTRA, and was always an influential member. He loved the organization and the Amo Conservation Bird Dog Club, and all the people that became his friends over the years. That love was shown in actions as much as words. Marilyn Frank Cunningham, remembers his friendly happy demeanor, but more so the eclairs he used to bring to the trials. Tim was always bringing food, and more than enough for everyone. He loved to make others smile. Tim did a lot of work around Amo. He printed the newsletter, and I am not sure of the NSTRA magazine or how long. As a competitor, one thing to remember, he was the first one at Amo, to run a Red Setter. Neon became a champion on Jan. 3, 2011 at Glenn's Valley. In April of that year Neon was in the final hour of the Region Elimination and finished 1st RU. Tim ran mostly setters with a couple pointers mixed in.

The setter I remember the most, and the story that follows speaks to Tim's love of dogs and people. Tomoka's Shotgun Shelly, was an above average female setter. Tim had trouble with her going out of bounds. He brought her to me, to see if I could fix her. My son loved her, and would let her sleep with him; they were always together. Nathaniel started running her for Tim finishing her 1st Championship, and put a second on her in no time. Tim started receiving significant offers for Shelly. It was breaking Nathaniel's heart. Tim knew how much Nathaniel loved her. Tim worked out a deal with me, for us to keep Shelly, actually taking a considerable loss, compared to what he had in her. He loved Nathaniel more than money, or placements. A spirit that is a shining example of what all NSTRA members could be. Nathaniel went on to be the youngest to ever compete in the IN Region Elimination, and finished 3rd runner up with Shelly and competed in DOY, and other National Trials with Shelly. Tim always remained our partner with Shelly.

Tim loved to pray with others and witness for Christ in all aspects of his life, while never pushing, or making one feel uncomfortable. That was no different in the bird dog world. He gave Christ credit for everything. My wife and I started attending his church at his invitation, changing both our lives. Tim always stopped by my house regularly, but when Janet was sick, it became more frequent for longer periods. Anyone that knew Tim, knew he was one to talk and go, always on the move. Even at a time when his own life was full of challenges, he always slowed down for Janet, and took the time to make sure she was alright, and then just to visit, and talk about Christ. Both of them loved him so much, and it always showed in who they were. When Janet died he was there for me even after the funeral was over and everyone went home. I regret that we both moved and didn't see each other in recent years. I got to see him just hours before he walked into heaven, he had that same sparkle in his eye when he saw me, and extended his hand for that always firm loving handshake. I thank his Daughter Jill for getting ahold of me and facilitating that last visit. It was a blessing, as Tim always was to me, and so many.

The one thing I will always credit Tim with, that very few have the gift to do, was his ability to ENCOURAGE and find the GOOD in people, and to help each be the best version of themselves that they could, and he envisioned in them. He loved unconditionally as Christ loved him. No exceptions. It didn't matter how much money one had, what kind or level of dog, what truck they drove, if their dog box was homemade out of scrap lumber or an air

conditioned Jones trailer. He was a shining example of what all members of NSTRA could be. I was lucky to have him as a friend and at times a second father. One won't remember all the placements, but one will never forget the relationship he or she had with Tim Fisher.

The new President of NSTRA sums it up, commenting on Tim's obituary; "Tim was always a respectful gentleman, always offered words of encouragement, we will miss him. May he rest in peace."
